Memorial Service by Jane Nooe: "As we come to this time in our Annual Meeting when we remember the 127 we have lost by death this year (11 of these were Deacons, 1 a Pastor), I could have taken a biblical approach - Jesus said " Let not your hearts be troubled", or from Romans "For I persuaded" or a literary approach with Tennyson's "Crossing The Bar", or Kipling's "When earth's last picture is painted". But I chose to honor these loved ones with a note found pasted in a friends "Papa's Episcopal Prayer Book: "The loved ones whose loss we lament are still in existence. What to us is dark, they see clearly. Why do we grieve? During their lifetime if a journey took them from us, we were not unhappy. Why is it different now? They have gone on a journey to some higher world in the universe of God, the Father. Are we not in the same house of the Father, only inhabiting different rooms? Stand and bow in loving memory of these 127, while David Early sings our prayer, "I Come To The Garden Alone."

STEWARDSHIP REPORT

The objectives of the Stewardship Program are:

1) to continually develop Christian Stewards in the use of their time and financial resources;

2) to prepare budget annually for the association;

3) to encourage giving to Associational Missions and the Cooperative Program;

4) to give assistance to the churches, as needed and when requested, in promoting good stewardship.

The Stewardship Committee's plan and activities toward achieving these goals during the past year have been:

1) a Stewardship Conference held in February for the Association available to all pastors and church leaders in budgeting, finance or Stewardship.

2) Stewardship Chairman conducted two Christian Money Management workshops in association and one in another association.

3) Budget for the association is prepared in March each year for the upcoming October - September year, presented at April Executive Committee meeting for approval to be adopted at the annual meeting. This time schedule allows for individual churches to have associational budget in hand when preparing their church budget.

4) Appreciation is expressed to all churches for support of their associational budget. To date (Sept. 10) $66,166 has been received . This represents 77.5% of the budgeted amount of $85,358. The total budget for'91- 92 is $94,635 which is an increase of 10.87% over the '90-91 adjusted amount. In approving this budget, we accept a great challenge to support associational missions through our churches.

5) Letter of financial information and encouragement of financial support to Sandy Creek Baptist Association was written by Moderator Gene Booker and mailed on July 10, 1991, to all Pastors, Chairmen of Deacons and Stewardship and Treasurers of churches in the association. Moderator Booker stated "Our Executive Committee has set a long range goal of each church increasing its giving to a minimum of 3% and working toward a goal of 5% giving plan."

"The Cooperative Program is Southern Baptists' ONE for ALL Mission Support Plan. What is 'ONE for All'? 'ONE for ALL' is a five-year Cooperative Program promotion plan for every church. It is a plan to enable all Southern Baptist to cooperatively and more effectively witness to a lost world. 'ONE for ALL' is 'foundational to the Southern Baptist Convention denominational emphasis, "Share Heritage and Hope", 1990-95 and takes place during the last decade of Bold Mission Thrust."*

1990-91 ONE for ALL - Telling All The World - Mark 16:15
1991-92 ONE for ALL - Sharing the Bible - 2 Timothy 3:16-17
1992-93 ONE for ALL - Equipping Believers - Ephesians 4:11-12

DIRECTOR OF MISSIONS'REPORT

This past year has been a time for reorganization in the Association as well as setting new visions for ministry and evangelism in our area. There has been a good spirit of cooperation and enthusiasm as we have sought to advance God's Kingdom in the 90's.

It has been encouraging to see the many positive figures that have been reported on the uniform church letters submitted by all of our churches and missions. Overall, there have been increases in almost every category. Our total number of baptisms have almost doubled this year as compared to 1990! Church membership and Sunday School enrollments are also significantly higher. The Lord has obviously blessed our efforts in so many ways.

New mission strategies have been formulated in order for us to be more effective in strengthening our churches and reaching our area for Christ. Much work has been done this year on the proposed organizational chart, incorporation of the Association, constitiution and by-laws updating, community awareness and structuring our job descriptions for all Directors and Standing Committees.

A computer was purchased for the Association office. A number of repairs and improvements have been made on the Association Offices and Resouce Center. Open house was held at the Association Offices and Resource Center in May.

Many new ministries are in the process of being started. Student ministries, seminary extension, Christian Life and Public Affairs, Recreation, and Pastoral ministries will all hopefully be a reality in our association within the near future. A sub committee for Hispanic work will also be formed to work with our Missions Development Council.

An associational Pastor's wives fellowship has been started. Plans for an associational church secretaries fellowship will hopefully be carried out next year.

A singles ministry has started this past year in the association, working jointly with Family Ministries Council. A Brotherhood Resource Committee was also formed.

The Lawhon Memorial Fund Committee has made great advancement this year in organiztion and development. A personnel committee will be formed when the new organizational chart is adopted by the Association.

The format of the Associational Newsletter has been totally revised and updated this year. More and more people are requesting to receive the "The Link". The newsletter continues to be our vital means of communication with our churches and people.

Our associational Media Library has been updated to better serve our churches needs.

The Chapel and Conference Room in the associational office building are being utilized more and more for various meetings and events.

Our Area-wide crusade in October promises to be a great event in the life of Sandy Creek Baptists. Much work and prepartion have been done to make the crusade a tremendous success.

Our association ministered to many area migrant workers by providing hundreds of Health Kits this past year.

It has also been a priviledge for me to speak and share in many of our churches.

Through numerous special evangelistic events this year in our association, many people have made decisions for Christ.

CONSTITUTION COMMITTEE

The Constitution Committee met several times during the year. We wanted to have a completed constitution and by-laws proposal to present to the Association at their annual meeting, but we ran into several things that delayed the work.

The committee would like to draw up by-laws in line with the Proposed Association Organizational Chart. This would cover all the work of the Association. A Policy Operations Manual will be written including new job descriptions for every officer, leader, and committee at a later date.

We have met with Dr. Buzzard from Campbell University who is a specialist on helping churches and associations to incorporate their organizations. We are waiting to see if the association wants to incorporate so we can include this in the process.

Thank you for your patience with us. We hope to complete this work as soon as possible.

DISCIPLESHIP TRAINING

M night was held November 5, 1990 at Jonesboro Heights Baptist Church. Five churches from the Association were registered with a total Attendance Banner. Dr. Michael Cogdill from the Division of Religious Education at Campbell University was the guest speaker. His program was well received by all in attendance.

We updated the Association Discipleship Attendance Banner as the old one was years out of date. I attended 3 Association Board meetings and gave a report at each of the three meetings. I attended 2 Association Council meetings: one at Sanford First Baptist and the other at Siler City First. I attended one meeting of the Nominating Committee. I attended the Association Bible Drill at Fellowship Baptist Church, Siler City. I have a trophy for the State Bible Drill winners. M night will be held at Loves Creek Baptist Church, November 4, 1991. Rev. Larry McElreath will be the guest speaker. Dean Beck will be the Assisant Director for Discipleship Training for 1991-92. I'm looking forward to a good year!

TRUSTEES

We met in January to look at a 7-acre tract on US 421 near NC 92. We were unable to get a firm commitment from the owner as to price and terms (we understand the property has now been sold). We are continuing to seek out acreage in that area.

We recommend that the constitution be changed to add two people (at least one female) to the Trustees and that they serve 5 years.

EVANGELISM REPORT

Evangelism is rapidly returning to the number one priority in the Sandy Creek Association. This past year has seen a record number of people come to know the Lord in our Association. The year is being concluded with an Area-wide Crusade that will see many come to the Kingdom of God. The effort began in January with a tremendous Evangelism Conference and Soul-Winning Training at First Baptist, Sanford. The results were people trained and people saved. The Marketplace Evangelism Conference broadened the view of being Christ's witnesses for over 100 participants. The phrase "TOTAL EVANGELISM" is quickly becoming the theme for our area churches.

The coming year promises greater things for our Lord. Our goal is "REACHING TWO-A—DAY" or 760 baptisms in our Association next year. This will begin in January with our Evangelism Conference. There will be area seminars on "Total Church Life", a strategy for reaching our communities for Christ. Then SHARE Days, five days of complete saturation of church communities with the gospel, will be held throughout the spring and summer. Closing out the year will be another special event, Super Festival. "The harvest is plentiful . . . pray the Lord of the harvest to send out laborers.

Director of Evangelism

FAMILY MINISTRIES

Efforts to begin an effective Family Ministries Program in the Association have been quite successful this past year. A Family Ministries Council has been established, receiving training, and studying needs in our area. They have been actively searching each church for individuals to serve in one of the three areas: 1). Single Adults; 2) Senior Adults; 3) Family Enrichment. People from nine churches are already active on the associational level with evidence of growing interest from several others on a local and/or associational level. General training sessions have been conducted and will continue within each division for specific study courses. There has been increased participation in Family Ministry activities sponsored by the state and the convention.

We are pleased that Kathy McElreath has received training to teach the newest edition of the course **Parenting by Grace: Christian Self-Esteem**, and that one of our own churches is the first in the state to offer the course. Kathy will be available to lead anywhere in the Sandy Creek area as other churches decide to provide the course for their membership.

Goals for the upcoming year:

1. To continue to promote our churches' awareness of and participation in family ministry.
2. To promote local, state and convention family ministry events.
3. To strengthen the impact of the Association Family Ministries Council through three major events:
   a. Singles Summer Celebration - June 6th
   b. Associational Family Day - June 13th
   c. Senior Adult Rally - September 8th
4. To offer and participate in at least three training events.
5. To begin work toward earning the Standard of Excellence Award offered by the convention for Family Ministries.

SUNDAY SCHOOL REPORT

The Sunday School theme for the year 1990-91 has been "Break Through-Reach to Win". This plan is designed to reach and enroll persons by involving them in their appropriate Sunday School class or department. Approximatelly 40% of resident members in our churches are not enrolled in organized Bible study.

It has been a challenge for churches in the Sandy Creek Association to grasp the vision of making their Sunday Schools better through planning, promotion and evaluation.

The Sunday School Associational Assist Team's goal has been to assist the churches in projecting this vision. A training school presenting the new book **Break Through - Sunday School Work** was conducted on August 29, 1991, at

Cool Springs Baptist Church. Twelve churches were represented with an enrollment of eighty-five.

Key Leadership held September 12th featured the organization and duties of Sunday School Council and Workers Meeting within the church.

The New Literature Curriculum Workshop held September 16, 1991, at Brush Creek Baptist Church provided a hands on experience as Sunday School Workers for all age levels prepare to use the new literature most effective.

We are grateful for the achievements of this year and look forward to what God has in store for the new year as we "Teach To Win" people through Bible Study.

Wilma Winstead
Director

BAPTIST SENIOR ADULTS

Senior Adults are encouraged to be as active as possible in all church programs. No separate program is promoted specifically for them. They are part of the Christian Life and Public Affairs division of both the State and the Southern Baptist Conventions. This year our Association has an active Christian Life committee, of which senior adults are a part. Senior adults are such a distinct part, however, that their unique needs and interests are addressed in separate meetings on all three levels of Baptist organizations: Associational, State, and National.

Conferences designed for leaders as well as regular members are held each year at Caswell, Ridgecrest, Glorietta and other places. They offer a great deal of help, as only the very best leaders are secured for them.

Both State and the Southern Baptist conventions publish newsletters which are free for the asking -**Contact,** by the State and **The Gazette**, by the Southern Baptist. Both carry news items of recent senior adult activities and of upcoming events. News and notices for this Association are published in **The Link**. Leaders who get this newsletter are asked to share the information freely.

Two Associational events were held in the 1990-91 year. The first was the Retreat at Loves Creek in June. It was designed to be inspriational and helpful in Chrisitian growth. Rev. C.R. Smith, Jr., pastor of First Baptist, Siler City, and former missionary in Hawaii, was guest speaker. The topic was "Seniors Reaching Seniors", the theme for this year's emphasis which correlates with the General SBC theme, "Reaching to Win". Loves Creek extended a warm welcome and served delicious refreshments. The second event was the Rally held at Cumnock in September. Sandi Munson, Youth and Children's Director, First Baptist, Sanford, led the opening music and fun activities. Mr. John Stone, pastor of First Baptist, Southern Pines, introduced three members from his church's "Hee Haw Band", who entertained with jokes and music. Afterwards, he brought the inspirational message from Isaiah 40. Fellowship and refreshments were enjoyed by all.

Next year only one meeting is planned, a big rally in the fall. An Associational Senior Adult Council has been formed to help plan and advise our activities. Its members are Catherine Matthews, Jonesboro Heights; Dee Orum, Cool Springs; Betty Ann Joyce, Brush Creek; James Ruff, Tramway; Estelle Hackney, Siler City First; Carrie Gilliken, Rocky River; and Louise Straughan, Hickory Mountain.

I conducted the Senior Adult Conference in September. Please call on me if I can help in any way.

Director

MEDIA

"Media libraries . . . focus on Missions," has been our theme for 1990-91. It is our responsibility and goal to extend media services ministry, which includes media education, to our Association. Media Services Ministry is valuable to a church as it seeks to worship God, to educate its members, to minister to needs of people, and to proclaim the gospel.

TACMO (The Associational Church Media Library Organization) has 26 Church Media library directors with 7 churches actively participating in quarterly meetings. 13 churches have no media directors. 4 churches were represented at the State Library Conference held at Caraway in April.

The April meeting of TACMO was held in Siler City First Baptist Church with Ruth Andrew giving the program on "Making non-projected Audiovisual". The July meeting was held at Jonesboro Heights Baptist Church with Mary Eskridge giving the program on "Cataloging and Classifying".

Prior to May, Jessie Jones, Sanford First Baptist, assisted in clearing, cleaning, and organizing the Associational Library. Betty Harris and Priscilla Parrish, East Sanford, agreed to set up the Library and Gunter Wicker, Sanford First Baptist, agreed to start setting up the music library.

News and information are published in the **The Link** with special planning and imformation given at Key Leadership.

Director

VACTION BIBLE SCHOOL

On Saturday, April 27, 1991, at Pittsboro Baptist Church, our Associational VBS Clinic was held. There were 76 in attendance with 19 churches represented. The VBS Staff did a great job of promoting excitement to everyone that attended. "Break Through with VBS" was certainly uplifted as we prepared for reaching people for Christ. It was a wonderful opportunity for me to get to know my friends in Christ.

Kathy Meetze
VBS Director

PITTSBORO BAPTIST CHURCH

In 1847 a Baptist Church was organized with 19 members in Pittsboro. It is thought that a group of Baptists had been meeting for several years, but not as an organized church.

According to George W. Purefory's **History of the First One-hundred Years of the Sandy Creek Baptist Association**, Pittsboro was host to the annual meeting in October 1852. In those days the Association met at the same church for four days. On Sunday speakers were at the Methodist, Presbyterian and Baptist Churches. A love offering of $43.15 was taken for a local boy who was a ministerial student at Wake Forest College.

In 1847 the first church was built at a cost of $12,000. In 1948 this church was torn down and the present modern brick building was erected. An educational building was added in 1960. Then in 1967 a three-story educational building was built. More recently the sanctuary has been renovated.

In 1890, under the leadership of Mrs. Fannie E. S. Heck, who was at that time President of Southern Baptist W.M.U., a Woman's Missionary Union was organized. Mrs. H. H. Chapin was the first president and served for 25 years.

William Straughan was the first Sunday School Superintendent. Miss Ella Hendley was the first organist. In more recent years, Mrs. Will Bland served as organist for many years.

Pittboro WMU and Brotherhood have been active in all phases of mission work. They built a chapel at Topsail Beach in 1987.

The church sponsors a Spanish Mission which meets in the church. At the present time there are 17 members under the watchcare of the church.

In 1990 a full-time Minister of Music and Youth was called. There are three children's choirs, a sanctuary choir and a senior adult choir.
In 1990 a 25 passenger bus was purchased.

In 1991 the church was incorporated. It supports state, home and foreign missions as well as an ongoing prison ministry in which a number of people are participating.

The ministry of Pittsboro Baptist is under the leadership of Dr. Ronald E. Farrar, pastor. The church membership stands at 436.

WOMAN'S MISSIONARY UNION

"But ye shall receive power, after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem, and in all Judea, and Samaria and unto the uttermost parts of the earth." (Acts 1:8) "EMPOWERED" has been the emphasis for this year in WMU, with one of the highlights being the study of Esther Burroughs' book **EMPOWERED,** in which we saw in the lives of many people a personal and close relationship with the Holy Spirit as they search for and act upon opportunities to witness.

In November, our foreign mission study focused on the Middle East. Coinciding with the Gulf War, it was very meaningful to many of our people. Isn't it amazing how God knows what we need far enough in advance to help us plan the study at that particular time? We give thanks for our EMPOWERED leaders! Also in November, we participated in the Boys Home needs project with the Baptist Men. Our Women's Correctional Center project was a great success. We asked for 350 pairs of socks and collected 700! Thanks to everyone who participated.

The Home Mission study theme was "People with a Mission". The adult book was taught in five churches by your director and assistant. Our council has visited over half of our churches this year in various capacities. We appreciate your invitations and the loving spirit with which you welcomed us.

In March several from our association attended the state WMU annual meeting in Winston-Salem. This is always a special time for WMU. Also in March, our associational council met with Linda Todd from the state WMU office to brainstorm needs and concerns, maybe resulting in some needed changes in structure and other areas. We all felt this was a very beneficial meeting.

Our annual meeting at Tyson's Creek in April was well attended and many have called to tell me they were blessed by it. Our Lord knows the needs of His people and if we ask His guidance, He meets those needs. Many people were involved in making this meeting successful - Thanks to each of you!

In May, 57 Baptist Women journeyed to Caraway for a prayer retreat with Bea McRae as our retreat leader. We came away feeling that we had truly been in the presence of God, EMPOWERED to move ahead in witnessing and ministering to His people. A special thanks to Lucy Jenkins for this well planned event. Baptist Young Women gathered at First Baptist, Sanford for their annual banquet with Rachel Tolar as guest speaker. It was apparent to this participant that a close fellowship between committed Christian women prevailed. Jan Lowe is to be commended for organizing this event and for all her service to Sandy Creek WMU.

June brought Girls in Action together for Day Camp at Loves Creek. Missionary speakers were Rev. and Mrs. Troy Bennett. All reports have been good. Thanks to leaders Sara Lambert and Paulette Thomas.

At Key Leadership in September, an overview of work for the coming year was presented to church WMU directors. A leadership workshop was held at Loves Creek the following week for all church WMU directors and leaders with conferences led by members of the associational council. WMU has had a very good year. There is much to do and we can do it through the EMPOWERING of the Holy Spirit who calls us and holds us accountable for the work He gives us to do. Looking now to a new year with a new emphasis, CALLED AND ACCOUNTABLE, our WMU council needs your prayers. Please remember us and call on us as needs or concerns arise.

Jean Walker, WMU Director

YOUTH MINISTRY REPORT

This has certainly been an exciting year for the Youth Ministry of our Association. I believe there was much accomplished in building the Kingdom of God. However, there is sill much ahead, and I am truly excited about these opportunities for ministry to touch, change, and challenge the spiritual life of the Youth in our Association.

We dedicated the 1990-91 year of Youth Ministry in our Association as the "Christian Concert Music Series". Music is such an important and influential part of the life of today's teenagers, that our goal was to provide Christian music to reach our Youth. Our Association Youth Ministry for 1990-91 began with a concert on Saturday, November 10, 1990 by "The Cause". This was a great time of fun and fellowship and ministry to the small group in attendance. However, the highlights of our concert series were held during the summer months with approximately 500 people in attendance at each event. On Wednesday, June 19, 1991, "WITNESS" was in concert at Chatham Central High School auditorium. This group of twelve college-age students from across the state of North Carolina are sponsored by the Personal Evangelism Department of the N.C. Baptist State Convention. There were several recorded decisions made during the counseling session at the conclusion of the concert. WE PRAISE GOD FOR THIS! Then on Thursday, July 11, 1991, "THE CONTINENTAL SINGERS" were in concert at Jonesboro Heights Baptist Church. This is a group of high school and college students, and young adults, that travel all over the country and abroad to several foreign countries. Several people made decisions as a result of their ministry, and again WE THANK GOD FOR THESE DECISIONS!

It was also a privilege to be a part of the ministry of Mike Warnke who was at the Lee County Civic Center, Tuesday, July 16, 1991. There were 1,600 people in attendance, and hundreds of public and private decisions were made during this event. Our Association co-sponsored this activity along with the Lee County Adult Chapter of the Fellowship of Christian Athletes.

I am excited about our upcoming Association year, and the Youth Ministry opportunities before us. We will continue to build the Kingdom of God with some tried and tested ministry events, and with some new and fresh approaches to and for the Youth in our Association. I will appreciate your prayers for myself and the other youth and adult youth workers who will serve in leadership positions this coming year. We will strive to be all that God wants us to be, and to reach as many lost and hurting people for Christ as we possibly can. "TOGETHER WE BUILD THE KINGDOM OF GOD" in the Sandy Creek Baptist Association Youth Ministry.

MOON'S CHAPEL

Moon's Chapel Baptist Church was organized June 18, 1849. Evidently services were held before this date for in 1835 a deed was recorded in Chatham County saying that "John Moon doth give and bequeath warrant and defend against him and his heirs forever accepting the right as one of the committee to a certain piece or parcel of land lying and being in the County and State aforesaid, for the purpose of Erecting a Church thereon for the use of the Missionary Baptist Denomination, free for all other Denominations to preach in but not to Establish a church known by the name of Moon's Chapel Baptist Church."

In 1838, in the **First 100 Years History of Sandy Creek Baptist Association**, George W. Purfoy reports that the 80th Session met at Moon's Chapel. This would seem to indicate that the Church was built several years before it was constituted.

Moon's Chapel has remained true to the faith, courage and vision of the 11 charter members.

In 1924 two wings were added to the original structure.

Eight classrooms were added in 1947. Remodeling was completed in 1954 when the entire church was brick-veneered.

In 1962 a parsonage was built.

Moon's Chapel Church realized the need for more educational space in 1969. A fully equipped modern building was completed which included kitchen, fellowship hall and air-conditioning.

Moon's Chapel takes an active part in denominational affairs through its various organizations. They have hosted the Sandy Creek Association many times and given leadership also.

In 1956 one of her own boys was ordained to the ministry, Rev. Alden Hicks. And in 1987 another was ordained, Rev. Bruce Brown.

Rev. Carlton Hemphill is pastor. The membership is 254.

SHUBAL STEARNS

The Sandy Creek Baptist Association should never lose sight of how it came into being and the person who led in the organization.

Shubal Stearns was born in New England in 1704. When he became dissatisfied with the Congregationl Church and wanted separation of the church and state, he became Baptist in 1751. He was firm a believer in the Doctrine of New Birth, believed in free justification and into autonomy of each congregation.

He and several who believed as he did moved down into Virginia.

When he learned that down in North Carolina there was need for the Gospel, he settled in what is now Randolph County. The church he founded in 1755 is Sandy Creek Baptist Church. It is now part of Randolph Association. Rocky River and Rock Springs were among other churches established by 1758, when under Stearns' leadership, the Sandy Creek Baptist Association was organized the third in U.S.

Each year at our annual meeting we take time to remind ourselves of what we owe to our early leader.

In 1950 our Association, the Randolph Association and the Baptist State Convention realized that an appropriate recognition of the Church and his burial place should be made.

The cemetery was restored and a monument was erected at Stearns' grave in the cemetery.

In 1955 a dedication service was held. This was the 200th anniversary of the founding of the Sandy Creek Baptist Church.

Each year our Association makes a contribution to the Sandy Creek Baptist Church and we always include their treasurer's report in our annual.

BAPTIST RETIREMENT HOMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for older adults around the state - the Albemarle Baptist Home, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist home in Eastern North Carolina and the Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After 5 years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at Brookridge Retirement Community in Winston-Salem. The addition of 100 certified medicaid beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

At the present time, the Baptist Retirement Homes has raised $2 million of the $2.8 million needed to make long hoped for dream a reality. Baptists across Western North Carolina are urged to help meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, Independent Living area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living quality care is provided in residential settings regardless of Older Adults ability to pay for the cost of this care . . . a service unmatched by any other church related long-term care institution in this state.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

Respectfully submitted

GENERAL BOARD

Review of some of the activities of North Carolina Baptists:

I. PARTNERSHIPS

A. New York Partnership. The Baptist State Convention voted in November 1990 to engage in a Partnership with the Baptist State Convention of New York. A committee for the General Board chaired by Nancy Curtis worked with the Baptist State Convention of New York to prepare Guidelines for the Partnership.

Goals of the Partnership in 1992-93 are to start 45 new churches (15 ethnic, 13 anglo and 2 black).

The BSC of New York is made up of the entire state of New York , Southern Connecticut, and Northern New Jersey.

B. Poland Partnership. In 1990 - 123 North Carolina volunteers did construction work on the Seminary. As reported in May, there were 3,300 Baptists in the country with 45 having been baptized the previous year.

In April 1992 fifty Polish Pastors are expected to be in North Carolina and will be in churches and associations.

C. Sao Paulo Partnership. In 1990, 464 North Carolina Baptist went to Sao Paulo. In 1991 twenty-five groups were scheduled to go including 625 North Carolina Baptists. The Singing Churchmen and Women were there in May. Through June of 1991, 1,600 people had gone to Sao Paulo. The May 25 issue of the Biblical Recorder carried a pictorial story of Partnership work in Sao Paulo. A vital part of the partnership is the Baptist Children's Homes of Brazil and North Carolina. Sao Paulo is the second largest city in the world.

II. SPECIAL ACTIONS

A. In January the General Board approved Chowan College's request for Change of Status from a two year college to a four year college. As a four year college their expected enrollment woud be between 1,000 and 1,200.

B. Sara Ann Hobbs retired as Director of Missions Division on January 31, 1991. Dr. Roy Smith commented that "Sara Ann Hobbs is synonymous with Missions; Mission Education, Missions Support, and Missions Involvement."

C. The General Board approved a recommendation from the Evangelism Committee that The Baptist State Convention of North Carolina participate with the Home Mission Board and other State Conventions in Sixty Days of Soul-Winning beginning January 8, 1995 and to conclude with simultaneous revivals in March and April.

D. In May, a "Special Institutions Relationship Special Study Committee" was elected by the General Board as recommended by the Executive Committee. Per Dr. Roy Smith "this is a 'Blue Ribbon Committee' to study the continuing relationship of the Baptist State Convention to the Member Institutions and agencies." This Special Committee will report at the State Convention.

E. The Council on Christian Life and Public Affairs recommended that the General Board adopt a statement regarding the State Lottery; and then, that a copy of the statement accompanied by a letter from the President of the General Board be sent to every member of the General Assembly. Motion passed unanimously.

F. Dr. F. Thomas Jenkins, Jr. was unanimously elected to Director of the Divison of Missions filling the vacancy created by Sara Ann Hobbs Retirement.

G. Pastors Mailings replaced by new "CHURCH LEADER" Bulletin which is now mailed to 24,000 leaders in 3,546 North Carolina Baptist Churches six times annually.

General Board Representative

ANNUITY BOARD

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is an important benefit that many ministers overlook in the retirement plan, "Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to the Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware fo the opportunities and the need to act on them.

But there is still much to be done. Consider these facts:

small contributions make the annuitant's benefits small:
In North Carolina
185 receive less than $50
482 receive less than $100
1041 receive less than $200
1338 receive less than #300

There is a **great** challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

For more information about enrolling in the Church Annuity Plan, call the Annuity Board's toll free number, 800-262-0511. In North Carolina, you can call or write:

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future. Three pillars that uphold that futuristic foundation are: 1) The return of the Thanksgiving Offering beginning in November 1991; 2) The success of our "Give a child a chance!" financial campaign, and 3) Baptists' continued support of BCH through the Cooperative Program.

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists care enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A & T. Each of these lives proceeds of firm footing because Baptist Children's Homes was there and paved their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs, and truancy mark their young lives.

BCH provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th Anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990 BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hope the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering through its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything over the $500,000 goal for work in that desperately need land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Service to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children can stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The Cooperative Program continues to anchor our budget planning from churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. BCH receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Home would seriously jeopardize our ability to care for children.

Baptist Children's Homes has 106-year old history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise that stretches beyond the future to wrap children and families with eternal blessings.

BAPTIST HOSPITAL

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with Bowman Gray School of Medicine of Wake Forest University. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer the most advanced technology for diagnosing and treat health problems. Examples:

One in 15 medical centers in doing clinical trials of coronary laser - vaporizing plaque in blocked coronary arteries.

One in five centers in U.S. conducting clinical trials in stereotactic radiosurgery - high-energy beams are focused on brain tumors and lesions to destroy them.

Designated organ procument center for northwest North Carolina.

Received approval to begin pancreatic transplants.

Soon to open new Center for Positron Emission Tomography - measuring the chemical structure of body for earlier detection and treatment of tumors.

During the past year, the hospital admitted approximately 22,000 patients with almost 400,000 being treated on out-patient basis through the various services of Medical Center. These patients came from most counties of N.C., 32 other states, and several other countries.

During the past year, Baptist Hospital was re-accredited by Joint Commission on Accreditation of Health Care Organizations - the survey team ranked it in the top 10 percent of hospitals in the nation. From a recent report from N.C. Medical Database Commission, average charges at Baptist Hospital are 10 percent below the average charges for similar diagnosis in hospitals statewide, substantially lower than charges in the other NC Academic medical centers.

The Pastoral Care Department, funded in part by Cooperative Program, provided Clinical Pastoral Education to 42 students; Pastoral Care staff provided more than 54,000 specific ministries to patients, family members and staff; counseling division provided 21,700 counseling sessions. The Professional staff Care Department continues to respond to requests for help from pastors, and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. The results appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful for this support.

Baptist Hospital Representative

BAPTIST COLLEGE REPORT

A "new-old" event is about to take place in North Carolina Baptist life: **A Special Committee!**

From time to time we Baptists feel the need to take a hard look at ourselves through the time-honored practice of asking trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began comprehensive study of all aspects of NC Baptist Life. That committee reported to a special session of the Baptist State Convention on May 5-6, 1959. Again, "The Committee of Twenty", in 1967, worked for two years before presenting its findings and recommendations to the Convention in November of 1969. Both committees provided clarity and guidance for NC Baptist which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance

for insttitutions, agencies, their trustees and the Convention. NC Baptist institutions and
agencies have rendered distinguished Christian service for a total of 1,108 years! New
times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee" and their report is due in November, 1992.

STATE MISSIONS

North Carolina Baptist continue to give faithfully to support missions in our state. Baptists gave over $1.6 million last year for the State Missions Offering to support missions' work from the coast to the mountains.

The Missions Division organizes its work through several distinct areas:

Two Area Missions severing the Western and eastern regions of NC work with local churches and associations for mission and program development.

Associational Development works with associations to assist them to achieve their goals and purposes, plus special programs for coordinating resort ministries, world missions conference and church missions development.

Chaplian and Language Ministries gives support to all Baptist ministers serving as Chaplains in NC working with people in NC whose primary language is not English, ministering to the deaf and giving direction to Baptist ministering in a military settings.

These, and many other ministries, are part of what we are doing in North Carolina as we engage in missions at the state level.

THE BIBLICAL RECORDER

The Baptist World is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The **Biblical Recorder** was born to serve that purpose.

People are reading less than any time in recent history. It is true secular publications; of wholesome books; of religious publications. We live in an electronic, fast food, everything is disposable age. We often think we know the answers only to discover later that we do not.

An informed Baptist is a better Baptist; and uniformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the **Recorder** in more Baptist homes than ever before. Your support as subscriber and reader and encouragement to others will enable the paper to better serve with accurate and helpful information.

The paper focuses more and more attention on NC Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome barriers is to have the facts, know the issues and be adequately informed.

That is why the **Recorder** was born; that is why it serves today.

Remember that Jesus says that if we suffer with Him, we shall reign with Him. We must continue to remind our nation that rightousness exalts a nation, but sin is a reproach to any people. DIRECTOR OF MISSIONS REPORT

The association has continued this past year to make significant strides in reorganization as well as setting new visions for evangelism and ministry in our area. The Lord has continued to bless us with a good spirit of cooperation and enthusiasm among the churches.

Advancing God's Kingdom in the 90's has continued to be our theme. Many positive figures were again reported for the churches indicating an increase in almost every area. The church membership figures significantly increased this past year.

Our three Hispanic Missions have continued to steadily grow. Hopefully, in the near future these missions will be able to become established churches in our area as they continue to share the gospel with our Hispanic population.

Important plans have been developed to strengthen our migrant ministry in the near future. Evangelism and ministry efforts will be increased drastically to reach this target group of people.

Many new ministries are being started. Student ministries on the campus of Central Carolina Community College have become a reality. The Seminary Extension Organization and proposed classes are in place. The Christian Life and Public Affairs Council will be prepared to address many current moral and ethical issues in our area. Pastoral Ministries will provide special training for the deacons of our churches. Many recreation opportunities in our area are being explored. Singles and Senior Adult Ministries are continuing to grow.

Improvements are continuing to be made at the associational offices and resource center. A FAX machine has been purchased to help the association improve communications.

Our various associational fellowship groups are experiencing consistent growth and interest.

The process of incorporation has been a major undertaking this past year.

Our association is also completing the Strategy Planning Process. Approximately 35 people from across the association have been involved through work in various assigned task groups to discover the major needs and trends of our area. As a result - a comprehensive detailed plan of work for the next 3-5 years will be shared and hopefully adopted by the association in the near future.

There continues to be an increase in requests for receiving "The Link", our associational newsletter. The newsletter is still our most direct line of communication with the association.

New videos and other media materials are constantly being purchased for the associational media center in order to better serve our churches.

The associational office and resource center is being utilized more and more for various meetings and events.

Plans are underway for an Area-Wide Youth Crusade to be held in September of 1993. Plans are also being developed for a World Missions Conference to be held in 1994. Simultaneous revivals will be held in 1995.

Through numerous special evangelistic events this year in our association, many people have made decisions for Christ.

It has continued to be a privilege and joy for me to speak and share in many of our churches.

There continues to be many exciting opportunities for ministry and evangelism in our association. Some of the future possibilities include: Summer student missionaries, literacy missions, prison ministry, truck stop ministry and a race track ministry.

Additional churches in our area are expressing an interest in becoming a part of our association. Also - new mission church opportunities are being explored in a number of areas.

We are in a partnership with New York to provide needed ministries and help in their state. A number of projects have already been conducted. Our association also helped out tremendously with the Hurricane Andrew Relief Efforts in Florida. Other numerous local missions projects have been conducted.

Many thanks are due to all of our various associational leaders for your work this past year. Your service to the association has been deeply appreciated.

Next you will find my progress report for the year.

Your Friend in Christ,
Larry McElreath, Director of Missions.

FELLOWSHIP BAPTIST CHURCH

On September 27, 1978, after much discussion and prayer, a group of people made the following decision "As a testament of our faith and pledge to serve our Lord, we the congregation of the Fellowship Missionary Baptist Church sign this charter on this the 27th day of September 1978." Thus a new church began with 51 people signing the charter.

In just a few years this church has grown from meeting in a small rented building in Siler City to a location just off the Piney Grove Church Road between new 421 by-pass and old 421.

They have completed the second phase of building - a sanctuary, fellowship hall and classrooms.

On October 4, 1992, dedication and open house of their spacious facility was held.

The key to the rapid growth has been cooperation and vision.

Missions has been a priority at Fellowship, with interest given to local, state, and world-wide needs.

Their present pastor, Rev. Dean Beck, has been with them since April 1990. The present membership is 122.

SHUBAL STEARNS

Shubal Stearns was born in Boston, Massachusettes in 1706. He became interested in a religious group called "New Lights". He spent much time in Bible study and prayer. He came to believe in baptism by immersion, and became an ordained Baptist minister. He believed God had a special work for him. Even after he and his brother-in-law moved into Virginia, he still felt God had something else for him to do.

When he learned that the people farther south, in the Piedmont, were wanting to hear Gospel, he knew then that here was where God wanted him.

He and a small group came to what is now Randolph County and started a new church - Sandy Creek Baptist Church.

People responded to God's message and messenger so well that in 3 years there were 3 churches. He formed an association of the churches he helped to begin.

So great were the results of Stearns life and preaching that in 17 years 42 churches, 125 ministers had come from the one tiny Sandy Creek Baptist Church.

It was told that in a vision Stearns saw a large white ball of snow floating in the air. It separated into three parts and one went north, one went south, and one remained near him. He believed this was how the scattered churches were to be put into convention.

The Sandy Creek Baptist Association is happy each year to send a contribution to the Sandy Creek Baptist Church where Shubal Stearns is buried. Sandy Creek Baptist Church is in Randolph Association now.

Each year this church sends a financial statement and appreciation to the Sandy Creek Association.

CHURCHES OF SANDY CREEK BAPTIST ASSOCIATION

Emerson. The early members came from Bear Creek, Bethany, Loves Creek and Rives Baptist churches.
Sandy Branch from the very beginning has taken part in all phases of Baptist work.

When the church was less than a year old it sent messengers to the annual meeting of Sandy Creek Baptist Association being held at Mt. Zion Baptist Church. At this time the name Sandy Creek Baptist Church was recognized. It had first been call Sandy Pond.

Sandy Branch has had several places of worship. The first was a brush arbor, the next was made of logs. There have been several stages in the building programs.

In 1974, the church voted to build an activities building.

For years the Sandy Creek Baptist Association had not had an Associational Missionary and in 1973 it was decided that one was needed. Manual Cunnup, pastor of Sandy Branch Baptist Church, was called to be Director of Missions.

In 1972 Sandy Branch celebrated its 100th Anniversary.

The church has been host to the Sandy Creek Association Annual Meeting 8 times. Several moderators have come from Sandy Branch. However, the church has hosted many Associational activities - such as Key Leadership meetings.

Rev. Mark Gaskins became pastor in 1988. The present membership is 312.

GOLDSTON BAPTIST CHURCH

As early as 1919 several Baptist families realized that a Sunday School should be organized in the Goldston area. This was done and the Goldston Academy was chosen for a meeting place.

The next year on July 11 the Goldston Baptist Church was organized with Rev. J. L. Powers as its first pastor. Charter members were Mr. and Mrs. Hugh Womble, Mr. and Mrs. T. P. Murchison, Mr. and Mrs. B. B. Stinson, Mr. and Mrs. F. R. Dark, Mr. and Mrs. John T. Paschal, H. M. Phillips, Miss Nell Paschal, Miss Mollie Dark, Miss Grace Dark, Mrs. Mary A. Stinson, Mrs. Mollie Goldston, Mrs. Vallie Goldston, Mrs. Ethel G. Womble Brooks, Mrs. Bessie Goldston and Mrs. Vallie Hester.

From the Goldston Academy to the Masonic Hall to the new brick school and now the members began planning a permanent place of worship.

Land was secured and work started and was completed in 1925. From time to time the church saw need for more building programs. During these times came the year of the Great Financial Depression. Members of the Goldston Baptist Church did not let this change their devotion and scarifices to their church.

Many people gave to equip the church with the things such as an organ, pulpit furniture, communion set and hymnals.

Goldston Baptist Church has cooperated with all phases of denominationl work, local, associational, state and convention.

The church has hosted the annual associational meeting 5 times.

In 1974, Rev. Buel Creason became pastor and continues to lead them.

The membership is 182.

STEWARDSHIP REPORT

Your Associational Stewardship Council has several objectives. They are:

1) To aid churches in the development of Christian stewards;
2) To assist churches, when requested, in budget preparation;
3) Promote Associational Missions support;
4) Promote giving through the Cooperative Program;
5) To prepare an annual budget for the Association.

During the past year, several activities helped to achieve these goals.

1) A stewardship conference was conducted on January 30, 1992, for pastors and key laypersons in the churches of the Association. The emphasis was to aid church leaders in developing good stewards and in preparing church budgets.

2) Your council met three evenings (total of eight hours) to prepare the budget for your Association.

3) A session on budget preparation was held during the Key Leadership Conference in the Association.

4) A copy of the Associational budgets and letters encouraging increased financial support, was mailed in July to all church pastors, chairmen of Deacons and Stewardship.

Your Association has set goals to encourage gifts by the churches. Each church is to consider giving a minimum of three percent of undesignated gifts to the Association and moving eventually to five percent. A minimum of three percent is needed now to provide for our immediate needs.

I am grateful for the financial support of all the churches in our association. Some churches have already reached the five percent giving level. Others are working toward it. Do not despair! Keep on keeping on!

Your budget for the 1991-92 Associational year was $96,135. As of July 31, 1992, (ten months) $73,043 had been received. This is 75.9% of the budget. The budget for the 92-93 year is $105,898. It will take an average of 3% of undesignated gifts from all the churches to reach this budget. I know we can count on your church to give its fair share.

The Stewardship conference next year will be at Bestfood Cafeteria, Siler City on February 4, 1993 - 6:30 pm. - Emphasis "Live Wisely"

May God continue to bless you as you seek to be faithful stewards with your time, talents and possesions.

C. Gene Booker
Stewardship Chair

EVANGELISM REPORT

Making Evangelism the #1 Priority of our Association has paid tremendous dividends. Churches all over our Association have felt the impact of increased fervor for evangelism. Last year's total of 352 baptisms has raised our awareness of the number of lost people in our communities. The excitment could be seen and felt at the Evangelism Conference Johnny Hunt, shared his vision of exciting evangelistic churches on fire for Christ. He reminded us when we are like this, people will come and say "We never saw anything like this!" (Mark 2:12) You can see the excitment in the faces of those at Pittsboro Baptist who participated in Share Days. You can see it in the eyes of one led to the Lord in Mision Bautista de Sanford. Evangelism truly has been exciting in this past year but will be more exciting in 1993.

This year our slogan is "#1 Priority-Evangelism - Keeping the Main Thing, The Main Thing." We look forward to reaching a minimum goal of 5% of each church's membership being baptized this year. The coming year's events include Associational Evangelism Conference, Total Church Life Seminar, Share Days, and a Youth Crusade. Once again there is no shortage of training and encouragement available to you and your church to make evangelism #1.

Steve Clark, Director of Evangelism

DISCIPLESHIP TRAINING

The first event of the new church year for Discipleship Training was "M" Night held at Moon's Chapel in Siler City. There were 149 in attendance with Moon's Chapel having the largest attendance. They won the Attendance Banner for the year.

Trophies were awarded to the State Bible Drill Winners. The Associational Children and Youth Bible Drill Tournament was held at Oakley Baptist Church with 22 children and 4 youth taking part. All qualified for the state tournament. The state drills were held in Greensboro on May 11, 1992. We had nineteen winners from our Association. A special thanks to all who participated.

I have attended the Association Council and Executive Board Meetings and Key Leadership Conference at Sandy Branch Baptist Church. There were 9 participants in the Discipleship Training session. Janice Terry explained how to have Children and Youth Bible Drills in their church. Dean Beck and I shared the material available for Discipleship Training.

"M" Night will be held at Mt. Olive Baptist Church on November 2, 1992. We will again award trophies to all the State Bible Drill Winners. A good program is planned and we hope that each church will be well represented.

FAMILY MINISTRIES

God has truly blessed the work of Family Ministries in our Association this year. Besides expanding our associational councils, several local churches have started their own Family Ministry Councils. They carried out or sponsored some wonderful and effective events, blessing the lives of couples, parents, children, senior adults and single adults. Participation in the programs offered by the Southern Baptist Convention, such as Fall Festival of Marriage, Senior Adult Chautauquas, and national training launches has increased. As a result, our State Convention leaders are now requesting assistance from our Associational leadership for other areas in North Carolina.

The Single Adult Council has been assessing and prioritizing needs for this diverse sector in our communities. A brainstorming session was held September 21, 1992 to aid the coordination of local and associational work for the upcoming year.

The Family Enrichment Council sponsored an Association Family Day at Oakley Baptist Church June 13, 1992 with 130 people attending, representing twelve churches in our association; two Baptist churches in other states (Kentucky and Georgia); one Independent Baptist Church; and one Christian Church. The activities, meal, resources, and children's musical emphasized family interaction, fun, and ministry to others. According to the Family Ministries Director, Gary Hawk, in Nashville, Tenn., our association pioneered a new family ministry activity through this event and has asked us to write a guide for other churches and association to use in planning similar projects.

The report for Senior Adults by Ruth Andrew is listed elsewhere in this book; however, I would like to note here a change in the Senior Adult work for the upcoming year. Ruth has resigned as Associational Senior Adult Director after filling that position for the past 8 years. We want to thank her for her sincere dedication and labor of love for this area of Family Ministries. Mrs. Frances Webster has accepted the vacated position and is looking forward to working with the Senior Adults in our area.

Ray and Debbie Hockaday received training during Discipleship Training Week at Ridgecrest for the national launching of two new courses through our convention. During the upcoming year they will be leading sessions in our association on **Covenant Marriage: Communication and Intimacy** and **Making Peace With Your Past**. They are also available for teaching others to lead in these courses.

Goals for the 1992-93 church year in Family Ministries include:

1. Strengthening the existing councils in each of the three areas of ministry by increased numbers of people on the councils and churches represented.
2. Leading at least:
   Two courses in Making Peace with Your Past
   One course in Covenant Marriage: Communication and Intimacy
   One weekend seminar on Family Enrichment in your church.
3. Providing Single Adults with a retreat offering "Coping With . . . series
4. Receiving training for Counsel for Nearly and Newly Married and initiating an annual or semi-annual course in the association.
5. Beginning Hispanic Family Ministries Outreach.
6. Sponsoring an Associational Family Day Picnic in May, 1993.

Family Ministries Director

BAPTIST SENOR ADULTS

The associational meeting for senior adults for the 1991-92 year was the Rally held at Tramway Church on September 15. The program was presented by members of Pleasant Grove Baptist Church, Fuquay-Varina, NC. The associate pastor, Rev. Bryan Faggart, led the Golden Notes Choir (senior adults) in a period of musical fun and worship. The pastor, Rev. Ray Justice, gave the message of worship and praise. Verbal reports of senior adult activities in the various churches during the year were given with pride and enthusiasm. Attendance and the number of churches represented were greater than ever this year.

Training for church leaders of senior adults was held at Key Leadership Conference last September. It was led by this director, using the resource manual, **Senior Adult Leader's Notebook**.

Notices of upcoming senior adult events were published in the **The Link** all year. Church leaders were asked to inform their members of them and to encourage attendance.

All leaders and members are encouraged to request that their names be on the mailing list for **The Gazette**, the newsletter from the Sunday School Board and for **Contact**, the newsletter for the State Baptist Convention. Each one carries news of coming conferences and of recent activities of senior adult groups.

Senior Adults are part of the Family Ministries program of the association. It has been a pleasure and a privilige to be on the council for this program which is under the capable leadership of Debbie Hockaday.

It has been rewarding to see an increasing interest in senior adult ministries in our various churches through the years. Several indications show this interest, such as use of large print editions of Sunday School quarterlies and **Open Windows**, and subscriptions of the magazine, **Mature Living**. In addition, several associational friends have telephoned me or paused downtown to talk about their work or ask questions about ideas they had. They should be praised and encouraged to continue and expand their ministries as much as possible.

SUNDAY SCHOOL REPORT

The Sunday School theme for the year 1991-92 has been "Breakthrough -Reach to Win". This focus was designed to reach people through creative and instructive sessions of Bible study. Never has there been a greater need for a breakthrough into the lives of persons who do not know God. The real goal for this theme has been to help Sunday School teachers and leaders to see Godly changes take place in the lives of people.

Christians who make a genuine commitment to teach through the leadership of the Holy Spirit can bring many people to a deeper faith, love and obedience to our Heavenly Father. Creative and effective teaching of the Bible brings people of all ages into contact with God's abiding eternal truths which have been tested for centuries and proves as the Psalmist declared "Thy word is true" (Psalm 119:160)

The Sandy Creek Association under the leadership of the Sunday School Assist Team provided an appreciation dinner for all Sunday School and Outreach Directors on May 7, 1992 at the Fellowship Hall, Sandy Branch Baptist Church. Guest speaker for the evening was Robert Stewart, Sunday School Director for the NC State Convention. Thirty-four people attended representing 11 churches in our association.

In trying to meet the needs of the churches in the association, the study course, **Teaching the Bible**, was offered twice this year - East Sanford Baptist Church with 42 people representing 7 churches and again at Rives Chapel Church.

The Sunday School Assist Team, as leaders of these study sessions, tried to proclaim the golden rule of teaching - "Teach to meet others' needs as you would have others teach to meet your needs."

Wilma Winstead
Sunday School Director

VACATION BIBLE SCHOOL

It may be surprising to some, but Vacation Bible School continues to be one of the best evangelistic programs being used by churches today. Southern Baptist Churches lead more people to Christ in Vacation Bible School each year than they do through revivals.

Vacation Bible School is an arm of the Sunday School and should have as its goal the fulfilling of the six tasks of the Sunday School:

1. Reaching people for Bible study
2. Teaching the Bible
3. Witnessing to people about Christ
4. Ministering to people
5. Leading people to worship
6. Undergirding the work of the church and the denomination.

Evangelistically, Vacation Bible School is a double-edged sword. It can be a time

of harvest where children and youth accept Christ and it can be a time of sowing seeds to be cultivated by the on-going Sunday School program in preparation for a harvest time to come.

Forty-one Vacation Bible School workers participated in our Associational Vacation Bible School Clinic this year at Hunt Springs Church. Evaluation forms submitted by the participants indicated that the clinic was very helpful to the preparation for their VBS ministry. Two clinics are to be offered in 1993: Saturday, April 17, from 9:00 am 12:00 pm at Mt. Olive Church and Monday, April 26, from 7:00 pm to 9:30 pm in the Sanford area.

Reports from individual churches indicate strong enrollment and attendance and Adult Vacation Bible School continues to grow in our Association. This is a wonderful opportunity for Bible study. If your church is not using Adult Vacation Bible School, why not try it this year?

We hope to strengthen our Vacation Bible School work in the Association and it's churches. Especially needed is improvement in the area of prospect discovery and follow-up after the school is completed.

Perry Hardison
Vacation Bible School Director

MEDIA REPORT

"Media Libraries . . . focus on Bible Study" has been our theme for 1991-92. With the Bible as the core curriculum of Southern Baptists, a variety of media has been employed to help increase Bible knowledge and understanding, leading to greater application of Biblical truths.

TACMO (**T**he **A**ssociational **C**hurch **M**edia **L**ibrary **O**rganization) has twenty-seven church Media Library Directors with nine churches actively participating in quarterly meetings. Three churches were represented at State Media Conference, Caraway; six persons attended Key Leadership . One new library started at Tyson's Creek. There have been several changes in directors and assistant directors and 2 additional churches are now participating in quarterly meetings.

In October, Mrs. Jessie Jones became Associate Media Director for the Sandy Creek Association.

Mr. John R. Woodard, Director of NC Baptist Historical Collection, spoke on "Preserving Church History and Records" to TACMO and 15 interested persons in October.

TACMO met at Siler City First in January and Ruth Andrew taught "How to Witness with Media" to 10 lay persons; in April TACMO met at Flat Springs with Kim Harris giving the program on "Storytelling" to members present; Mary Lee Moore, Hickory Mountain Media Director, led us in initial steps of organizing and setting up the Association Library. There were 10 present representing eight churches.

The newly adopted "Association Library Policies" went into effect in April.

All church literature is available at the Association Media Center. If one has questions about literature or magazines, they could persue the literature at the Media Center. One of the newer periodicals "Growing Churches" is to help church leaders understand church growth and apply strategies for growth.

For churches having computers, a disk is available at the Association Media Center for cataloging cards.

WOMEN'S MISSIONARY UNION

The emphasis for this past year in WMU has been CALLED & ACCOUNTABLE. We as Christians and members of WMU believe we have all been called to a particular task and that we are accountable to God and our fellow Christians for how we carry out that task. We have tried prayerfully to carry out our task in a way that will be pleasing to our Heavenly Father. Almost all of our council attended training in the fall to prepare us for the coming year. In turn, we held training sessions for WMU leaders in the churches. These leadership training sessions were well attended with 24 churches represented.

Baptist Women held a prayer retreat at Mundo Vista in May with approximately 50 women in attendance. Ann Womble, First Church, Sanford, led the retreat. Special thanks to Lucy Jenkins for all her work with Baptist Women, even though she was fully occupied with Mr. Jenkins' illness. We love you Lucy and will continue to remember you in our prayers. Alma Thomas was her assistant.

Our Baptist Young Women held two events, a tea at Antioch Church and a banquet at Hickory Mountain. Thanks to Martha Wilkie, Director. Sharon Malloy was her assistant.

Acteens held a lock-in with breakfast the following morning. Donna Smith has been Director for past 3 years, this being her last year to serve. Louise Poe served as her able assistant and will assume the role of Director.

Our GA Director, Sara Lambert and assistant Paulette Thomas hosted a February GA Leaders' meeting and a May GA Day Camp for the girls. The Day Camp was designed to assist the girls in working on Missions Adventures Activities.

Marsha McQueen, State Mission Friends Director, was guest speaker at a meeting of Mission Friends Leaders in January. This workshop was designed to help leaders better prepare for mission study with Mission Friends. Linda Brady and Virginia Vick served as Director and Assistant of Mission Friends.

Brenda Cooper led us to reach our goal in collecting lotion for the women's prison Christmas Project. Thanks to each person in each church who participated. Brenda served as our Mission Action/Personal Witnessing Director.

In April our Annual WMU Meeting was held at Cool Springs Baptist Church. This meeting was well attended and enjoyed by all present. Our guest speakers were: Barbara Joiner, Columbiana, Alabama, author, speaker, Acteen Leader; Hubert Garner and Wanda Howard, volunteer missionaries. Musicians were Sara Lambert and Donna Beck. Many thanks to all of you for making my last major effort a success.

I give God all the praise for what we have accomplished together. I love our association and WMU, and all the joy has been mine in serving as your Director for the past three years. I thank you for the opportunity and I thank our Heavenly Father for His presence in my life. I pray for the same in the life of Jan Lowe as she takes the helm as your leader for the next three years.

YOUTH MINISTRY REPORT

1991-1992 was another exciting year for the Youth Ministry of the Sandy Creek Baptist Association. There were some great events, along with some disappointments, throughout the year. However, the most exciting thing was to see young people accept Jesus Christ as their Lord and Savior and many others recommit themselves in their relationship with Jesus. The bottom line to our efforts as a Youth Ministry was to build the Kingdom of God and I believe we made our best efforts to accomplish this building.

We began the year by being a part of the Chatham/Lee Areawide Crusade in October 1991. Before the main crusade service each evening there was a Youth service led by Ken Atkins. Attendance was good each evening and the youth and adults had a great time sharing with Ken. Thursday night of the crusade there was a "Pizza Blast" with some 600 youth in attendance. Most importantly, during the crusade, many young peole responded to the invitation.

In November, "Jeremiah People" performed their drama "Stop the Presses" at Jonesboro Heights Church. It was a great night in which the Gospel was presented in a different way and touched many people's hearts and lives.

April 1992 saw the successful introduction of "Beach Break '92" at Garden City with around 100 youth and adults in attendance. This association sponsored retreat was led by Michael Capps with the theme "No Where to Turn/Know Where to Turn". This ministry event was enjoyed by all present and many youth and adults were strengthened and challenged in their relationship with Jesus.

July 1992, we sponsored the "Continental Singers and Brass" at Lee Senior High School auditorium and "Witness" at Chatham Central High auditorium. Both events were well attended and Jesus was glorified because of both these ministry events.

Also in July 1992, the "World Changers" from Emmaus and Jonesboro Heights Baptist Churches participated in the week-long mission trip to Campbell County, Tennessee. This was a tremendous ministry event and one we hope to continue for years to come. In preparation for this trip, the youth and adults spent a weekend in spiritual preparation and helped roof the Association Brotherhood "Habitat for Humanity" home in Pittsboro.

The Associational Youth Council was active this past year and contributed greatly to the success of our ministry efforts. THANK YOU to all adults and youth who helped in any way on the Council.

Another great year is before us in the 1992-93 year and I look forward to serving as the Youth Ministry Director and serving the churches in our Association as we together build God's Kingdom.

Eric N. Davidson
Youth Ministry Director

PLACE AND PREACHER COMMITTEE

We recommend that the 1993 Annual Session of the Sandy Creek Baptist Association be held on Monday evening, October 25 at the Emmaus Baptist Church, and on Tuesday evening, October 26 at the Juniper Springs Baptist Church.

We also recommend the Rev. Perry Hardison, Pastor of Mount Olive Baptist Church, as the preacher of the annual sermon, and the Rev. Bob Wachs, Pastor of Bear Creek Baptist Church, as the alternate preacher.

REPORT OF THE FEASIBILITY STUDY CCOMMITTEE

The Feasibility Study Committee met May 5, 1992 in regard to studying and recommending to the association what direction it should take with regard to the future location of the Sandy Creek Association Office.

We had a person to offer to donate a beautiful site in a good location; but due to the elevation of the land to Highway 421, we felt it would not be a suitable site. Other people have been contacted, but we have no final recommendation.

Wayne Phillips, Chairman

GENERAL BOARD REPORT

"The General Board is literally the "Convention between annual meetings of the Convention," conducting business for the state-wide denomination."* Reports, recommendations and actions of the General Board are covered well by the Biblical Recorder; therefore, only a few highlights will be reviewed.

I. Partnerships

A. NEW YORK PARTNERSHIP. The Baptist State Convention voted to engage in a Partnership with the Baptist State Convention of New York. Eight associations are paired with the associations in New York state, 50 churches are paired with churches in New York state, and 24 construction requests were being processed by NC Baptist Men. This is a reciprocal partnership and New York can contribute their expertise to Baptist Work in North Carolina.

B. BRAZIL PARTNERSHIP. The Friendship Baptist Church, Pilot Mt. Association participates in a partnership with an association in Sao Paulo. The Pilot Mt. Association hosted a group visiting from Brazil. One of the opportunities that has opened through this partnership has been between the Children's Home in Sao Paulo and NC Baptist Children's Home. This has been both profitable and helpful.

C. POLAND PARTNERSHIP. This is the third and final year of the Poland Partnership. In 1991 and 1992 eighteen teams with over 200 volunteers went to Poland for nineteen days each. Built were a dormitory for a retreat; training center; medical/dental clinic. Twenty-two Polish pastors visited in NC.

II. Actions - Motions made and carried . . . .

A. "That all of the General Board meetings be held at Caraway, with the exception of one May meeting each four years in Cary and one September meeting each four years at Caswell."

B. Dr. Lamar Brooks resigned as President of the General Board due to health reasons. In May Kathryn Hamrick become the newly elected President of the General Board.

C. "That the Business and Financial Policy of the State Baptist Convention of NC and the General Board be amended by adding II, 4 a new paragraph "a" as follows:

a. No funds of any kind, designated or undesignated, shall be accepted by this Convention, its programs, institutions, or agencies, from any church which knowingly takes, or has taken, any official action which manifests public approval, promotion or blessing of homosexuality. Any such church shall not therefore qualify as a "cooperating church" as defined in Article IV, A, 3 of the Constitution of the Baptist State Convention of North Carolina.

This in no way negates the importance of local church autonomy or the Biblical mandate for all Christians to minister to the needs of all people in keeping with the spirit of our Lord Jesus Christ."

D. Committe to Study Convention Meeting Time - Jim Jarrard, Chairman -"The Committee recommends that the General Board invoke its authority pursuant to Article V of the Constitution of Baptist State Convention which states: "the Convention shall convene annually on Monday after the second Sunday in November, no earlier than 6:30 pm and no later than 7:15 pm. In case of an emergency or unusual circumstances, the General Board in enpowered to change the time or place of the meeting, cancel the sessions of the of the Convention or call a special meeting by a vote of two-thirds majority of members present when the vote is taken."

The Committee recommends that the General Board invoke its authority pursuant to Article V and change the time of place or meeting for a period of two years and if matters of scheduling and other contractual arrangements allow, beginning in 1993, the Baptist State Convention shall meet on the Friday and Saturday of the specified week in the Constitution of the Baptist State Convention of North Carolina, rather than Monday-Wednesday of that week. If the 1993 date is not feasible the Convention would begin in 1994 to meet on Friday-Saturday rather than Monday-Wednesday. The times, lengths and number of sessions of the convention for these two annual meetings shall be determined by the Program/Place and Preacher Committee."

E. Church Programs Committee - Tom Denton, Chairman
"We recommend that the General Board ask our Executive Director, the President of the Baptist State Convention, and the President of the General Board to develop and implement a strategy to lift up worship in the Baptist State Convention of North Carolina and to report such plans to the General Board in January of 1993."

F. Undesignated Funds Received by the Baptist State Convention of North Carolina (action taken by Executive Committee)
"The new policy reads "All gifts received are distributed according to the church's intructions. The Business Office handles only funds for North Carolina Baptists and Southern Baptist Convention causes.Distribution of other funds shall be approved by the Executive Committee. As of December 3, 1991, this includes: The American Bible Society, Christian Action League, and the Cooperative Baptist Fellowship.

G. Institutions Relationship Study Committee - Lamar Brooks, Chairman
"A Proposal to Strengthen the Relationship Between the Baptist State Convention of North Carolina and It's Colleges & Universities, Children's Homes, Biblical Recorder and Foundation" -Report of the General Board to the 162nd Baptist State Convention of North Carolina, November 10, 8:50 am, Winston-Salem, North Carolina Concerning the Work of the Institutions Relationship Study Committee.

Thank you for the opportunity to serve on the General Board and in our Sandy Creek Baptist Association. As written in Ephesians 3:20-21 "Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us, unto him be glory in the church by Christ Jesus throughout all ages, world without end."

Mary Upchurch, General Board Representative

ANNUITY BOARD REPORT

A growing number of churches and ministers are catching a vision for insurance protection and preparation for retirement. Unfortunately, far too many pastors, other ministers, and church and associational personnel do not have adequate financial protection. The Annuity Board's primary focus for 1992 and 1993 is on enrolling as many people and churches as possible in the Church Life and Health Program and the Church Annuity Plan.

New medical plans will be offered on January 1, 1993 as options to help address the affordability issue.

The Church Annuity Plan is far more than a retirement plan. It is a means to provide family protection today as well as financial security tomorrow.

The Plan includes a Protection Section that covers disability and death; includes choice of plan funds offering investment opportunities for retirement; significant opportunities for avoiding unnecesary income tax; matching state convention Cooperative Program dollars eligible members' retirement income accounts; and a fifth another value is strength and stability.

Based on the needs of our people, your association is encouraged to lead every church to participate in the Church Annuity Plan.

BAPTIST CHILDREN'S HOMES

Like a marathon runner, Baptist Children's Homes of NC (BCH) "hit the wall" in 1991-1992, but persevered to finish standing up"

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshman-Pratt Education Center in Thomasville, inaugurated an innovative Bible Study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enable BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A State Champion Thomasville Bulldogs; Sandi, who has enrolled at Gardner—Webb College; Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing committments because they've received a second chance at Baptist Children's Homes.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a child a chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

BAPTIST RETIREMENT HOMES

One of the greatest needs facing North Carolina Baptist as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our Convention.

The fastest growing segment of NC Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older group is also that age group most likely to need the services provided by long-term care facilities. Unfortunaly, there were not enough nursing care beds to meet the needs of this older group who were functionally impaired and needed these services. Complicating this problem was the cost of those beds available and to make matters even, in spite of high costs of beds, often the quality of care was fair at best.

Having become aware of the problem some years ago, Baptist Retirement Homes (last five year period) has been working to develop a system of affordable quality nursing care beds throughout the state for use by NC Baptist Older Adults. New nursing care beds became available in the Piedmont area in 1989. In 1992, affordable nursing care beds will become available in the western area. It is our hope that by 1994 affordable quality nursing care will be available in eastern North Carolina.

Your Baptist College and Universities are concerned about college expenses families must pay. Administrators and trustees must also be concerned about operating costs on each campus. The figures above give the latest data for Cooperative Program support and financial aid to students in NC Baptist Colleges.

The Institutions Relationship Study Committee, appointed in 1991, will report to the Baptist State Convention in November, 1992. Baptist colleges are a significant part of that study. The Council on Christian Higher Education requests the prayerful support of NC Baptists for the Committee, and for the colleges.

THE BIBLICAL RECORDER

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In the past 12 months, the changes are beyond description -- on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The **Biblical Recorder"** was born and continues to serve for that purpose. Never was the **Recorder** more needed than now.

The paper focuses more and more attention on NC Baptists with news, features, and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

ASSOCIATIONAL STRATEGY PLANNING COMMITTEE

In February the Steering Committee was appointed, they in turn recruited members for the following Take groups:

1. Statement of Purpose
2. Publications
3. Church Study
4. Associational Organization
5. Population Study
6. Social Systems
7. Other Religious Groups
8. Resource Study

The Task groups, made up of Pastors, Church Staff, and Lay people from across our Association met with Bobby Stafford, Director of Associational Development from our state convention, who explained their purpose and responsibilities in order for our Stategy planning to be a success. The summer months were spent with Task groups working to gather the information and complete the studies relevent to their specific Task group.

Having completed a revision of our Statement of Purpose as the Sandy Creek Baptist Association, which is included in the proposed incorporation and by-laws, we are in the process of completing the proposed objectives, goals and action plans into a final form to be presented to our Executive Board at the January 1993 meeting.

Respectfully submitted,
Mark Meadows, Chairman

This Annual is Dedicated To

MISS BURDINE WOMBLE

The Sandy Creek Association recognizes Miss Womble for her dedication and faithful service to the Association, the Baptist State Convention, and the Southern Baptist Convention. She has served in many capacities. She was Associational Training Union Director for many years and is now serving as Historian of the Association.

She is a member of Loves Creek Baptist Church with a record of many years perfect attendance in Sunday School where she teaches in the Children's Department.

We thank Miss Womble for her many years of dedicated service and contributions to the Sandy Creek Association.

In Appreciation

LARRY MCELREATH

Larry McElreath served as Director of Missions for the Sandy Creek Association for three years. He led the Association during a period of restructuring and reorganization. During this time the Association grew in many areas of work. Larry's dedication greatly influenced the leadership and growth of this association.

Special thanks to you for your many hours of faithful and loyal service. May God bless you as you serve as Associate Director of Evangelism for the Baptist State Convention of North Carolina. Our love and prayers go with you.

Some churches are giving more. On page 10 and 11 of the Book of Reports you will find the proposed budget for 1993-94 which is presented for your approval as printed. So adopted.

7. Burdine Womble, Historian, gave the History of the Pittsboro Baptist Church. May be found in the Reports section of this Annual.

8. Mark Meadows, Chairman of Associational Strategy Planning; Strategy Planning for an association is a process by which an association determines its purpose,

then identifies its objectives, and then sets forth its plans and its goals to achieve its purpose. In the Spring of 1992, our association made a commitment to do that type of planning. A committee was put together from across the association. The final plan was presented in booklet form at the Spring 1993 Executive Session and adopted as long-range plans for the association through 1995. These booklets were distributed to all churches.

9. Steve Moore, Director of Evangelism, noted that baptisms were down in 1992 and introduced a solution to remedy the problem: "Here's Hope" Simultaneous Revivals in 1995, "Share Jesus Now." The Evangelism Committee seeks the Association's approval to pray, plan and prepare for sixty days of Soul-Winning, to be followed by a 1995 Harvest Revival. This recommendation has been approved by the Executive Council and the Executive Board, and your approval and support is requested. Motion is adopted. A seven minute video was presented to give an overview of the "Here's Hope, Share Jesus Now" 1995 Simultaneous Harvest Revivals.

10. Registration Report 34 churches, 129 messengers, 10 alternates, 21 pastors, and 25 visitors. Total of 185 present.

Larry also recognized the Officers and Directors of the Association and presented each of them with a Certificate of Appreciation for their service for the past year.

13. Director of Missions Report: Refer to Book of Reports for the Fourth Quarter Highlighted Activities for Director of Missions. Also noted were the highlights from the Executive Board Report of the past year. Some other positive things that the Lord has blessed during the three years of my ministry with you are: the Computer Workshop, the Church Growth Conference, and the new ministries: Seminary Extension, Pastoral Ministries, Recreation, Singles Ministry, Migrant Ministry, Christian Life & Public Affairs, and Student Ministry.

14. Larry McElreath, Director of Missions, introduced the guest speaker, Steve King, Church Planter in San Padro, Argentina.

15. Moon's Chapel Ensemble, directed by Terri Bordeaux, Music Director at Moon's Chapel, sang "Surely the Presence Medley." Very beautiful! Thank you!

16. Missionary Message - Steve King, Church Planter serving in San Pedro, Argentina brought greetings from his church. He counted it a pleasure to give the association a report, because "you are the reason that we can be where we are in Argentina and not only us, my wife and our three daughters, but nearly 4,000 other Southern Baptist Missionaries in about 130 countries around this world. We thank God for you." He reported that he and his wife had worked to establish five churches in Argentina and to organize them into an association. He also works training pastors from within the church. Main point to us was, when God calls He gives what is necessary to sustain us at what we are doing, anywhere. He closed with a challenge for us as Southern Baptists to continue to pray and give to misssions.

17. Benediction and blessing given by Andy McPherson.

RE: Director of Missions - Resignation

The Lord has really blessed the work and ministry of the Sandy Creek Association the past three years! It has been exciting for me to be a part of the association's progress and growth.

During recent months, the Lord has opened many new ''doors'' of opportunity for me. It has been a struggle for me in determining what the Lord's will was for my life. After very much prayer and consideration, I have accepted the call to serve as Director of the Personal Evangelism Department for the Baptist State Convention of North Carolina beginning November 1, 1993. This has not been an easy decision to make. I have been very happy serving as your Director of Missions. Your love, concern, and support have been very much appreciated. Our cooperative efforts in ministry and evangelism in the Greater Chatham/Lee County area have been tremendous. It will be very hard to leave you folks because I love you all so much. I covet your prayers as my family and I go through this time of transition in our lives.

I am very grateful for the good number of positive steps that have been taken in our association. The Sandy Creek Association Offices and Resource Center have been completely reorganized for more effective work and ministry. Our various ministries and programs have been expanded tremendously. Many new mission opportunities have been explored and implemented. Many people throughout our area have been won to Christ as a direct result of our associational efforts. We, in our association really have been a vital force for advancing God's kingdom in the 90's.

I'm thankful that our hard work has been blessed in so many ways. I really believe that there continues to be great potential for the Sandy Creek Association in the future. I appreciate your friendship and Christian witness more than you will ever know. If I can ever be of help or assistance to you or your church in the future, please don't hesitate to let me know. May the Lord continue to bless you, your family, and your church.

Your Friend in Christ,
Larry McElreath

Motion is reluctantly entertained to receive this letter of resignation. Motion passed with one negative vote.

Moderator asked that the association in session join in silent prayer for Larry, Kathy, Beau, and Thad as they embark on a new direction in the Lord's service. Eric Davidson closed the prayer.

14. Hubert Garner, General Board Representative, asked to speak to the subject of Larry McElreath's resignation. He stated that Larry had asked for his help in changing his beginning hire date from October 1 to November 1, because of several special activities that were already planned, and he was able to do it, but he was not able to get his salary changed.

15. Registration Report: 30 churches, 94 messengers, 20 pastors, 4 alternates, and 28 visitors. Total attendance for the evening: 146. Total attendance for both session: 331.

16. J.R. Bouldin, Chairman of Place and Preacher Committee, referred to page 14 of the Book of Reports containing the following report: We recommend that the 1994 Annual Session of the Sandy Creek Baptist Association be held on Monday evening, October 24 at the Emmaus Baptist Church, and on Tuesday evening, October 25 at the Cool Springs Baptist Church. We also recommend that the Rev. Bob Wachs, Pastor of the Bear Creek Baptist Church, as the preacher of the annual sermon and the Rev. Larry McClure, Pastor of the Flat Springs Baptist Church, as the alternate preacher. Motion is made that this recommendation be adopted. Accepted by general consent.

17. Moderator, Mary Upchurch, reported that outgoing Moderator Del Parkerson, has appointed the following to the Nominating Committee for the 1993-94 year: Ron Farrar, Chairman - Pastor, Pittsboro Church; Jean Walker - member, Hunt Springs Church; Walter Jones - Pastor, Brookdale Baptist Church. Hearing no objections, these are accepted by general consent.

18. Moderator, Mary Upchurch, presented the following nominees, as selected by the outgoing Moderator, Del Parkerson after meeting with pastors and following prayerful consideration and contact with each individual, to serve on the Special Search Committee for a Director of Missions:

Pittsboro Area:
  Perry Hardison, Pastor, Mount Olive Baptist Church
  Sims Poindexter, Member, Pittsboro Church
Siler City Area:
  John Hamm, Pastor, Brush Creek Baptist Church
  Faye Johnson, Member, Brookdale Church
Sanford Area:
  Mark Meadows, Pastor, Hunt Springs Church
  Del Parkerson, Pastor, First Baptist Church, Sanford

The Chair suggests Del Parkerson as Chairman.
No further nominations were made from the floor.
Motion was made to accept these nominations and seconded.
Affirmative vote and the motion is adopted.

19. Carl Hemphill, Chairman of the Nominating Committee. Motion is made to adopt the Nominating Committee's Report as printed on pages 1, 2, and 3 of the Book of Reports, with the correction of Terri Bordeaux as Music Director. So adopted.

20. Moderator, Mary Upchurch, introduced Jerold Smith, Director of Risk and Insurance Management, Baptist Hospital.

21. Jerold Smith, Director of Risk and Insurance Management, Baptist Hospital, pointed out several things that makes Baptist Hospital unique: the purpose of building the hospital in 1923 was to bring the healing art more definitely under the dominion of the Great Healer, they have a Pastoral Care School, debts that cannot be paid by the individual are paid by the Benevolent Fund from Baptist people. Thank you from all of the people that benefit from the contributions of the 3,500 churches every year.

22. Congregational hymn, "Grace Greater than all our Sin," led by Terri Bordeaux.

23. Randy Jetton, Director of Missions Development, introduced Dr. Ron Farrar; Pittsboro, Roberto Vasquez; Loves Creek, and Alfredo Granillo; Sanford First to report on the progress of the Hispanic Missions in the Sandy Creek Association.

24. Moderator entertained a motion that we continue the program, as scheduled, although we are running 18 minutes over the schedule because of extra business.

Motion was made and seconded. So carried.

25. Rememberance and Music - Donna Beck, wife of Dean Beck, pastor of Fellowship Baptist Church asked the congregation to stand and join in a period of silent prayer to give thanks to God for the lives of these loved ones and co-laborers who have gone on before us in the past year and for the example they have set before us. After prayer and scripture (Revelation 21), Donna sang very beautiful, "No More Night, No More Tears."

26. Annual Sermon delivered by Rev. Perry Hardison, Pastor, Mount Olive Baptist Church. Scripture text - II Kings 2:8-15. It is always a privilege to proclaim God's word, but for a trained historian it is awe-inspiring for me to stand in the Sandy Creek pulpit, which in many ways is the cradle pulpit for the Southern Baptist Convention. The Southern Baptist Convention and the Sandy Creek Baptist Association, which gave birth to it in many ways, had a rather inobscure beginning. Shubal Sterns and Daniel Marshal, his brother-in-law, came to what was then the backwoods of North Carolina and started a little church of 16 members back in 1755. Within 17 years that little group had given birth to 42 churches. More than 125 ministers were called out from those churches in 17 years. Genetically some of us are descendants of these people, but just like Elijah and Elisha that does not make us special. What did make them special is that they believed they also had a double portion of the Holy Spirit. One thing that I have noticed in churches in negativism. We doubt that we can pick up the mantle. We doubt that we can do the job before us. If we are willing to sacrifice, God is willing to give us a double portion. He will give us the authority. The only thing that has changed is us. God is the same yesterday, today and tomorrow. The Holy Spirit that empowered those first 16 Baptists to start 42 churches in 17 years is the same Holy Spirit that dwells in you. God has laid the mantle at our feet, all we have to do is pick it up and put it to use.

27. Eric Davidson, called for an opportunity to show appreciation to Larry McElreath and the response was a standing ovation before pronouncing the Benediction and Blessing. Donna Beck gave a choral response, "We Shall Behold Him."

Director of Missions Report

The 1992-93 Associational year has come to a close. Looking back, it was an exciting year! Our association churches collected over $17,500 and delivered a tractor-trailer load of needed supplies for the Hurricane Andrew Disaster Relief Effort. Two Associational Mission Fairs were held. Our association completed the process of incorporation. New phone lines were installed at the Associational Office and Resource Center. A number of new seminary classes were held during the year. A record number of people attended our various Key Leadership Conferences. Our first Evangelistic Rally for migrant workers was held. The Greater Chatham/Lee Area-wide Youth Crusade/Celebration touched thousands of young people in our area for Christ. Our Deacon Training Event and Church Growth Conference were very well attended.

The Associational Strategy Planning Report was completed, accepted by vote of the Executive Board, and distributed to all churches in booklet form. The "Strategy Planning" process was designed to help us as an association of churches to identify our purpose, to discover needs within our communities and churches, and then, to plan a systematic approach and definite actions to meet those discovered needs based upon our identified purpose. We call on you to make these plans and dreams a reality. You, as individuals and churches are encouraged to provide the energy, time and resources needed to make these proposals a reality in the years ahead.

Thank you for your tremendous support and cooperation this past year! Praise the Lord for the new challenges ahead in 1993-94 and the great potential for ministry and evangelism in the Sandy Creek Baptist Association.

Many thanks are due to all of our various associational leaders for your work this past year. Your service to the association has been deeply appreciated.

Next you will find my progress report for the year.

Your Friend in Christ,
Larry McElreath, Director of Missions

Juniper Springs Baptist Church

On September 26, 1812 a church by the name of Muddy Springs Baptist Church was constituted by Elders Isaiah Hicks, John Culpeper, and Hezekiah Harmon. Isaiah Hicks became the first pastor. This church was located in what is now Moore County and was in the Raleigh Baptist Association. Little is known of the early history of this church which later became Juniper Springs. The membership was evidently small. George W. Purefoy in his History of the *First 100 Years of the Sandy Creek Association*, speaking of the Charter Members said "the church covenant that was adopted at the time of constitution shows that they were sound and orthodox in the faith."

The second pastor Elder George Brown served twice as pastor from 1841-1846 and 1848-1857. In the summer of 1849 there was a revival in which 22 were baptized.

The first church building was a small log hut built on the land given by the Thomas Family. It was the worship house for 4 years. There was a need for a larger place of worship and in 1853 the church voted to relocate at the present location.

A new building was built and the name changed to Juniper Springs. The reason for the name was because at the back of the church there was a dense forest of Juniper trees and a spring at the foot of the hill. Three acres of land was given for the church by the late Darius Thomas family. The first service was held in the new church Saturday before the second Sunday in August, 1853. Saturday business meetings were regularly held until September, 1932. If a member missed three Saturday business meetings, they were asked to give a reason for their absence, if absent at that meeting a committee was appointed to visit them.

In 1857, Juniper Springs took a letter from the Raleigh Association and united with the Sandy Creek Baptist Association. In 1858 the first Sunday School was organized with Caswell S. Harward as the first Superintendent. He was later ordained into the ministry and became pastor.

It seems that the oldest roll of female must have been written about 1860 with 74 female members and 110 males.

In the late 1870's, when Elder A.H. Campbell was pastor, he preached a revival which lasted two weeks. Additions were 6 by letter and 48 by baptism. During his pastorate, his son James Archibald Campbell was ordained for the ministry and later became founder of Buies Creek Academy, which is now Campbell University.

In 1875, Juniper Springs left the Sandy Creek Association to unite with neighboring church to form the Little River Association.

In 1884, plans were made to build a new church, with then membership of 115.

In 1921, while H.M. Stroup was pastor, an idea began to move the membership and build a new church at Broadway. The membership became divided and as result the pastor and his followers moved to Broadway and started Broadway Baptist Church. Others stayed at the same location and same name. In 1926, Juniper Springs left Little River Association and made their last move, joining with Sandy Creek Association again. In September 29 & 30, 1932, Sandy Creek Association met for two days with Juniper Springs.

In 1968 ground was broken for a new educational building at the back of the sanctuary and was paid for in three years. On September 26, 1962 the church observed its 150th Anniversary. On June 11, 1972 plans were made to build a new sanctuary and was dedicated October 7, 1973. This the fourth building. In November 1978 a parsonage was started about 1/2 mile from the church.

In 1979, Rev. Leary Knight became pastor and served until recently when Rev. Andy Wood became pastor.

Since the late teens and early twenties, the women have promoted missions through the organizations of the W.M.U. Juniper Springs Church continues to support missions at home, state and on the mission fields. The present membership is 295. Jonesboro Heights and Broadway had their beginnings through Juniper Springs.

Shubal Stearns

Little is known of Shubal Stearn's early life. He was born January 28, 1706, in Boston, son of Shubal Stearns, Sr., and Rebecca Larriford Stearns. His wife was Sarah Johnstone. They had no children.

Shubal Stearns is remembered as the organizer of Sandy Creek Baptist Church near Staley, N.C., in Randolph Association and we remember him as the founder of Sandy Creek Baptist Association.

Each year at our annual meeting we honor him by recalling some of his accomplishments, and we make a contribution to that church where he is buried and has a monument.

In his early years in New England, he became interested in a group called New-Light Separtists, because they wished to be separated from the established church in New England, the Congregational Church.

He became a Baptist in 1751. In his preaching he emphasized the doctrine of the new birth, believers baptism free justification and the autonomy of each congregation.

Shubal Stearns learned that in the Piedmont section of North Carolina, there preaching was greatly desired, that in some instances people would ride 40 miles to hear one sermon.

On November 14, 1755, eight families arrived at Sandy Creek and they soon erected a small meeting house called Sandy Creek Baptist Church.

So great were the results of Shubal Stearns preaching that in seven years 42 churches and 125 ministers had come from these small beginnings.

Shubal Stearns died November 29, 1771.

Pittsboro Baptist Church

The exact date of the beginning of a Baptist Church in Pittsboro is not known. It is thought that a group of Baptists had been meeting for several years before they organized. On the cornerstone taken from the of meeting house built in 1847 was the following inscription: ''Baptist Church organized 1817.'' By 1847 the early founders, 17 members, made plans for erecting a Meeting House. Wesley Martin Hanks was the contractor who built the Meeting House for $12,000. According to George W. Purefoy's *First 100 Years of Sandy Creek Baptist Association*, the Annual Association met with the newly constituted Pittsboro Baptist Church, October 1852 for the four days sessions - from Thursday through Sunday. On Sunday speakers were at the Methodist, Presbyterian, and Baptist Churches. Before the turn of the century, Pittsboro Baptist Church was host again in 1882 and 1898.

In 1948, the church was torn down and the present modern brick sanctuary was erected with Sunday School space. In 1960, an educational building was added. In 1967, a three-story educational building was built. Recently, the sanctuary has been renovated.

In 1890 under the leadership of Mrs. Fannie S. Heck, who was at that time President of Southern Baptist WMU, met and helped organize a Woman's Missionary Union. Mrs. H.T. Chapin was the first President and served for 25 years.

William Straughan was the first Sunday School Superintendent, Mrs. Ella Hedley, was the first organist. In more recent years, Mrs. Will Bland served as organist for many years.

Pittsboro W.M.U. and Brotherhood have been active in all phases of mission work. They built a chapel at Topsail Beach in 1987. The church sponsors a Spanish Mission which meets in the church.

In 1990, a full-time Minister of Music and Youth, William Ellis, was called. Presently there are Children and Youth Choirs, a Sanctuary Choir, and Senior Adult Choir.

In 1990, a twenty-five passenger bus was purchased.

In 1991, the church was incorporated.

Pittsboro Baptist Church supports state, home and foreign missions, as well as an on-going prison ministry, in which a number of people are participating.

Pittsboro Baptist Church has served leadership in Sandy Creek Association. Mr. Victor Johnson was a moderator, as well as, his father, Mr. R.P. Johnson. Several pastors have given leadership as moderators. Mrs. Fred Nooe served as Association Clerk for many years.

Miss Pearl Johnson was a missionary to China from 1915-1949.

Since 1878, there have been 29 ministers who have faithfully served this church. The present pastor is Dr. Ron Farrar. The present membership is 436.

Pittsboro has hosted the Sandy Creek Association many times.

Charter & Bylaws Report

1992-1993

SANDY CREEK BAPTIST ASSOCIATION

The Charter & Bylaws Committee spent many hours in meetings, prayer, and preparation for the incorporation of Sandy Creek Baptist Association. The old constitution was revised to meet the current needs of the association. A special note of appreciation goes to Rev. R.W. Jenkins who chaired this committee before illness prevented his participation. The new Articles of Incorporation and Bylaws was presented to the association for consideration on Monday, October 26, 1992. The Organizational Chart was also presented at this time.

On Tuesday, October 27, 1992, Tony Buzzard, a lawyer that specializes in the incorporation of churches, explained the need for incorporation and the new structure involved. A motion was then made to dissolve Sandy Creek Association and transfer all of its assets, liabilities, rights and obligations to the successor corporation, Sandy Creek Baptist Association, Incorporated. The vote carried and then a motion was made to accept all of the members of the former association as members of the corporation. The vote again carried.

As the association continues to reach out to those in our communities, the status of being a corporation will not only protect the association, but its member churches as they further the cause of Christ.

Respectfully submitted,
Amy S. Fitts, Chairperson

Place and Preacher Committee Report

March 18, 1993 Finance Committee Meeting

A motion was made, seconded, and passed that bids be obtained for the printing of the Associational Annuals.

A motion was made, seconded, and passed that each church be alloted five (5) annuals at no cost and for each additional annual there will be a charge of $3.00.

Stewardship Report

Your Associational Stewardship Council has several goals. They are:

1) Develop Christian Stewards
2) When invited, assist churches in budget preparation
3) Promote support of missions in Sandy Creek Association
4) Promote financial support through the Cooperative Program
5) Prepare the annual budget of the Association and encourage the support of it

To achieve the above mentioned goals, several tools were provided.

1) An Associational Stewardship Conference was conducted by O.D. Martin. The pastor and a key layperson from each church were invited.
2) Your council met three evenings, for a total of nine hours, to prepare the budget. Before hand, the directors of various organizations were requested to submit their requests.
3) A session on stewardship was held in conjuction with our Associational Key Leadership Conference.
4) In July, letters were sent to the key leaders of all the churches to encourage increased giving to the Association. Three percent of undesignated gifts is the minimum suggested and working toward five percent or more.

I extend a special thanks to Elbert Price, Joyce McNeill, Don Daniel, Faye Johnson and ex-officio members: Larry McElreath, Joyce Cagle, Del Parkerson, and Mary Upchurch.

The Bold Missions Stewardship Conference for our Association will be held on February 3, 1994. The pastor and a key layperson from each church will be invited to attend. The meal will be provided by our Baptist State Convention. Letters will be mailed in January 1994, with specific details (place, time, etc.)

Your association is involved in some exciting ministries. We need your support. I thank you for your gifts in the past and for the assurance that you will continue to pray and give generously in the future.

Lawhon Memorial Fund Committee

The Lawhon Memorial Loan Fund Committee has incorporated new amended procedural bylaws and has developed a new application form, approval/injection form and promissory note form. These forms provide new professionalism in the loan application and approval process.

The committee recently approved a loan for Ms. Amy Sistrunk, who is attending Gardner-Webb University and is planning to work in the area of youth ministry.

Our committee was excited to have financially assisted Ms. Sistrunk and awaits the opportunity to assist others in financial need of furthering their formal education. Due to diminishing assets at present time, the Lawhon Memorial Fund Committee takes this opportunity to request each church in our association to pray about offering contributions to our Lawhon Memorial Fund. This fund will be used in financially supplementing other applicants who otherwise would be deprived of further education.

Family Ministries

The work of Family Ministries has spread throughout our association and touched lives of more churches and individuals this year. We have discovered new avenues of ministry and have assisted development of outreach in other areas.

Single Adult work suffered several months while we were without a leader after Rev. Mark Palmer moved. Wanda Howard has accepted the director's position for the Single Adults and has shared plans for growth in the coming year. Associational involvement will be encouraged, especially from smaller churches unable to begin and support a ministry to single adults.

The Senior Adult Council sponsored two rallies this past year with approximately 150 people in attendance at each event. The Spring Rally at Tyson's Creek Church, May 1, 1993 included an unusual surprise program with singing and a delicious meal. Local church groups shared great ideas and experiences they have had that others may want to duplicate. The Kannapolis Joyful Saints from Centerview Baptist Church, Kannapolis, N.C. led the Fall program September 11, 1993 at Loves Creek Church. They presented the senior adult musical "The Time of Our Lives."

Frances Webster, Senior Adult Director, will continue working with this group and has many ideas for more activities in the coming year. These include day trips, an overnight retreat at one of our Baptist Camps, a life concerns seminar, and Senior Adult Choir.

Family Enrichment activities have included several specific projects:

In November 1992, five people took the course "Family Enrichment in Your Church" and returned to three local churches to start Family Ministry programs.

From January through April 1993, couples from three churches completed a

13-week course "Communication and Intimacy: Covenant Marriage." This group has continued to meet periodically through the year to foster further growth.

Twelve couples in the Siler City area enjoyed a marriage enrichment retreat weekend at N.C. Baptist Assembly at Caswell in April which resulted in glowing renewal.

A 13-week course, "Christian Self-Esteem: Parenting by Grace" started at Tyson's Creek Church in September. Kathy McElreath is leading this group nineteen parents from five different churches.

Participation in Fall Festival of Marriage at Ridgecrest increased dramatically this year. An unofficial count indicates couples from ten Sandy Creek churches will be attending this fall. This represents 25 percent of our churches.

My husband, Ray, and myself were a part of the faculty at Fall Festival of Marriage at Ridgecrest, October 8-10, 1993. We were asked by the Sunday School Board to lead in workshops on Tenderness and Affection: The Key to Approachability and activities related to this year's book and theme, "Celebrating Sex in Marriage."

After four years of skillfully forgoing new ground in Family Enrichment, Ray Hockaday has passed this position to Wanda Ledford for the 1993-94 year. She completed the requirements for earning a diploma in Family Enrichment this year and will be a capable leader.

A council was established this year to study the need for a Crisis Pregnancy Center in the Chatham-Lee County region and the Family Ministry Council has expressed much support for this endeavor.

Debbie Hockaday
Family Ministries Director

Christian Life and Public Affairs

This year has been a year of beginnings in the area of Christian Life and Public Affairs for our Association. During this year we have organized our committee and sought to listen to the concerns of the people in our churches. There were many. In fact, one of the most difficult things for us to do, was to narrow down our list of concerns.

After prayer and discussion we felt that we needed to become the voice in our churches against the proposed state-wide lottery. We gathered information and distributed it to all of the churches in our association and asked for their help in defeating this issue in the legislature. However, the lottery did not die in the state legislature, but only went into hiding until the short session. Therefore, we have planned for 1994, two anti-lottery workshops, one in Lee County and one in Chatham County.

Also we are encouraging our churches to support "Law Enforcement Appreciation Day" on March 20, 1994. During this day we hope that all law enforcement personnel wil wear their uniforms and be acknowledged during the morning worship service.

We feel that it is important to the people in our association that we take a stand for Christian values and standards in our society. We would appreciate your prayers and participation as we strive to lead others and speak out on these issues.

Larry P. Bostian
Director of Christian Life and Public Affairs

Discipleship Training

On November 2, 1992, "M" Night was held at Mt. Olive Baptist Church. Youth Bible Drill demonstration was given. It is quite extensive and more difficult than the Children's. Trophies were awarded for the State winners.

The Associational Children and Youth Drill Tournament was held at Oakley Baptist on April 15th. Three churches were represented and went to First Baptist in Greensboro on May 1st to participate in the State Drill.

Exciting changes are happening in Discipleship Training. I attended the Key Leadership Conference at Ridgecrest in May and obtained many challenging ideas. In August, we attended the Discipleship Training Leadership Conference at Caraway.

My Discipleship Training team and I would like to help you in any way we can to improve or begin a Discipleship Training program in your church. Please feel free to contact us as we strive to be your link to a more effective Discipleship Training.

Sunday School Report

Ministry, or service, is the vocation calling of every Christian. This service, in Christ's name to the glory of God, is defined as helping others meet needs they can't meet themselves. God's word indicates we're to minister to the total human need, to all persons, and in every location. Opportunities for ministry are wide open for God builds no fences or barricades. We provide our own obstacles.

The structure or organization of Sunday School lends itself to ministering, loving, and caring. The emphasis for the church year 1992-93 has been "Break Through - Equip to Win." Its main focus centered on helping Christians to equip themselves for a more effective ministry to the hurting hearts of its members and to lead non-members to a more complete knowledge of Jesus Christ.

In February, the Sunday School ASSIST Team, composed of 13 enthusiastic members, journeyed to Cary to receive A.T.S. Training. This was the largest ASSIST Team Group in several years.

Appreciation Dinner for Sunday School Leaders was held March 30, 1993 at Love's Creek Church. The inspirational program was lead by Phil Stone from the Baptist State Convention of N.C. It proved to be an excellent meeting for all who attended.

The first general A.T.S. Training class for the Association was held at Tramway Church on May 13 with 7 churches attending.

The Great Commission Break Through program was held on August 9, 1993 at the Sandy Creek Association Resource Center. Four churches participated in this program.

The ASSIST Team visited two in our association giving helpful instruction on teaching techniques and Sunday School organization.

The Sunday School Director for the Association has assisted two other churches in Sunday School planning and materials. The second general Associational Training School was held Sept. 30 at First Baptist Church, Siler City.

The Sandy Creek Association Sunday School ASSIST Team has again received Standard recognition. Thanks to our team for their excellent work.

It is my prayer that every Sunday School class and department in every church will commit to ministering so that others who do not know, may come to know Jesus as a living and loving Savior.

Wilma Winstead, Director

Vacation Bible School

The work of Vacation Bible School, Mission Vacation Bible School, and Backyard Bible Clubs continues to grow in our Association. Despite the many changes in our society, VBS and related ministries, continue to be one of the most effective means of evangelism, prospect discovery, and Sunday School enlargement Southern Baptists are using today.

The Association expresses gratitude to the VBS workers in each of our churches and to those who served on the Association's VBS team this year. Your work for the advancement of God's Kingdom is greatly appreciated.

Thanks also go to Mt. Olive and Juniper Springs Churches for hosting this year's VBS clinics. Attendance at the clinics was up slightly over last year's participation.

We encourage each church to begin planning for next summer's VBS. Your director should be elected with your other church leaders at the beginning of your church year. This is especially important this year since the Southern Baptist curricula and materials for next year will be employing numerous changes in VBS teaching methodology.

If you have not done so yet, please send your VBS reports to the Association, State, and SBC offices. It is not too late to follow up on VBS prospects.

God bless you,
Perry Hardison, VBS Director

Media Report 1993

Focus 95 for 1992-93 has been "Media Libraries...focus on training." For believers to become dynamic disciples, they must be trained in all aspects of Christian doctrine and lifestyle. Incorporating media in training adds to its quality and effectiveness.

This year also marked the fiftieth anniversary of the establishment of the Church Media Library Department of the Sunday School Board. Along with special activities at the national level, our churches were encouraged to celebrate significant anniversaries related to their media libraries.

TACMO (**T**he **A**ssociational **C**hurch **M**edia **L**ibrary **O**rganization) has 27 church Media Library directors with five churches actively participating in quarterly meetings. Rock Spring reported a director this year. Siler City, First started a Media Newsletter. The Associational Media Director and Associate attended the State Media Library Conference at Caswell. Twelve directors and assistants attended a very successful Key Leadership at Brookdale Church, Siler City, in October.

Theme for the first media fair booth held at the annual meeting in October was "Discover the Media Library." Interested observers had numerous questions and comments.

TACMO quarterly meetings are always training sessions for media ministry. One such self-directed witnessing and ministry training session was held in April at Flat Springs Church. Ruth Andrew taught "How to Operate a Cassette Ministry." Another training session on promotion was held in July at Tyson's Creek Church.

We now have 53 videos processed and ready to be checked out from the Media Resource Center at the Association Office. These are listed in alphabetical order in the card catalogue by title, as well as subject. A VCR combo and a 16mm film projector have been added to our projection equipment.

Our Resource Center provides printed material, bound and unbound, tracts and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to aid personal growth.

Sandy Creek WMU

ANNUAL REPORT

1992-93 has been a very good year for the Sandy Creek WMU. We feel we have been very productive and accomplished much for our Lord. LEAD ON has been our theme. We have done our best to lead in the right direction with the Lord's guidance.

Our training in September at Antioch Baptist Church saw 141 leaders coming out for workshops. We worked hard to prepare each one for the upcoming year. Our WMU Council has worked diligently throughout the year to try and start new WMU groups and assist existing ones. We were able to help Juniper Springs get BW, BYW, and other age level groups going. Tyson Creek has started a BYW group. Several of our churches have invited us into their fellowship to discuss better ways of doing things and new ideas.

Our Mission Friends had a fun day in April which was a good success. A fun time was had by all and we anticipate doing this again next year.

Our Girls in Action had a sleepover and a Missions Fair. There were as many as 85 girls present along with leaders and much was learned at both events. We wish Sara Lambert and Paulette Thomas well as they leave our council.

Our Acteens had a lock-in and another special event together. The attendance was small but a good time was had by all.

Our BYW had its banquet and was well attended.

Our BW had a great prayer retreat in April and over 90 ladies were present.

We sent over 750 talcum powders to the Women's Prison Ministry for an associational project this year. This is mission action for all of us.

Our Annual Meeting was held in April at Love's Creek Baptist Church. We had 203 present with 31 churches represented. The participation was wonderful and we felt inspired to light our world wherever we may be.

Our WMU Council has served well and worked in a very harmonious manner. I personally can't say enough about the dedication of these fine ladies.

Personally speaking, I have had a wonderful WMU year. There have been so many great women and super pastors who have allowed me to assist them in some small way.

Thanks, Sandy Creek, for a great year in WMU. Let's make 93-94 even better when we SERVE IN CHRIST'S NAME.

Jan Lowe, Assoc. WMU Director

Youth Ministry Report

The 1992-93 year was a good year for youth ministry in the Sandy Creek Baptist Association! We experienced a great spirit of cooperation among the young leaders and the youth in our Association. All of our ministry events were well attended and supported by our churches. Most of all, and most important of all, many young people made decisions for the Lord at these Associational youth ministry events.

A new ministry event was held for the first time in January 1993 at the Y.M.C.A. of Asheboro/Randolph County. "Winter Youth Celebration" was an all-night "lock-in" which approximately 150 youth and adults attended. The entire night was structured to keep the youth and adults busy, and they were. Ken Atkins led in the group recreational activities, and he also led in the worship services.

For the second year "Beach Break" was a tremendous success. Held during April 1993 at Garden City Chapel, on the beach in South Carolina, approximately 135 youth and adults participated in the ministry event. Our theme was "More To This Life," and worship services and sessions were led by Ken Helser. Lives were touched and changed because of these weekend activities and everyone is looking forward to "Beach Break '94."

An association sponsored mission trip with "World Changers" went to Savannah, Georgia during July 1993. Nine youth and three adults, representing three Association churches, had a life-changing week. The cost of participating, and the hard work before and during the trip were all worth the effort. Many of these youth and adults were planning the 1994 trip before they ever left Savannah.

"Witness" returned to our Association during August 1993 and performed before several hundred people in the football stadium at Chatham Central High School. The concert was fantastic, but most importantly, several decisions were made for the Lord.

The highlight of our year was "The Greater Chatham/Lee Areawide Youth Celebration" featuring Rick Stanley as evangelist, David Akin as musician, and Tom Toombs with drama. Held at Lee County Civic Center, Jordan Matthews High School, and at Northwood High School, the services drew approximately 2,500 people with over 200 recorded decisions for the Lord, many of these "first-time decisions." God certainly blessed in a mighty way during these evening services and in the five school assemblies.

Many people contributed to the success of the youth ministry of the Sandy Creek Baptist Association. I want to thank all the youth and adults who helped in any way during the 1992-93 year. Without them, these ministry events would not have been possible. Special thanks goes to our Director of Missions, Larry McElreath, for his evangelism fervor and his love of young people.

It was indeed a privilege to serve the Sandy Creek Baptist Association as the Youth Ministry Director for the 1992-93 year. I look forward to serving our Lord, and you, in the coming year.

In His Strong Grip,
Rev. Eric N. Davidson
S.C.B.A. Youth Ministry Director

Evangelism Report

This coming year will be a very important year for Evangelism in the Sandy Creek Association. I would like to thank our Associational Director for his leadership in Evangelism and making it a priority in his ministry.

One of the big events in Evangelism this year for our Association in the Evangelism Conference on January 9, 1994, at 7:00 P.M. (place to be announced). Dr. Mark Corts, Pastor of Calvary Baptist Church in Winston-Salem will be bringing the message. We encourage every church to make plans to move your services to the Evangelism

Conference so everyone can be a part of receiving God's challenge concerning reaching the lost.

One other major event coming this year is our preparation for the "Here's Hope, Share Jesus Now" Simultaneous Harvest Revivals planned for April 2-9, 1995. This emphasis is to involve members of every Southern Baptist Church in soul-winning. These revival services will be preceded by 60 days of Soul-Winning, January 9 through March 9, 1995. Using marked New Testaments and Roman Road booklets, 600,000 Southern Baptists will share the gospel each day for 60 days. The purpose of these Revivals is to share the message of hope to every person in the United States. In order to be ready for these coming events, there must be intense preparation this coming church year.

The Evangelism Committee looks forward to working with you and your church this coming year. Your Evangelism Committee this year is: Carl Hemphill, Darrell Williams, Perry Hardison, Mark Meadows, and Eric Davidson. Pray that God will lead us in our efforts to Share Jesus Now!

Missions Development Council

The council worked closely with the missions committee of First Baptist, Sanford and James Womble of Womble & Womble to secure almost five acres of cleared land on Cemetary Road in Sanford for a building lot.

The land was part of the Jackson estate and had to be rezoned church. Hal Siler surveyed the property and charged no fee. Dr. Gray Bullard gave stock which was sold for about $12,000 and this was applied to the purchase price. James Womble charged no fee for handling the property negotiations and donated the $1,000 seller fee to the Hispanic building fund in honor of his wife, Ann. Gilbert Lett donated $5,000 toward the fund.

There is no water or sewer on the land, but a perk test has been conducted and preliminary discussion has been started with the City of Sanford toward this end, since the land is just out of the city limits. The land was mowed this summer and is ready for a building project.

The next step is the acquisition of necessary funds for a building and donations will be sought from association churches/individuals during the coming year.

Health kits were requested from association churches and the response was tremendous. Kits were prepared for babies, children, men, and women. They were given to Hispanics throughout the summer in Vacation Bible School at Dreamland Trailer Park, to migrant workers in tobacco, and to the Rape Crisis Center.

On Sunday, August 22, members of the First Baptist Church Hispanic Mission joined council members and others who were interested in a service of praise and worship with migrant workers at the Wayne Kelly tobacco farm in Broadway. Through music and presentation of the plan of salvation by Pastor Alfredo Granillo, five Hispanic workers were led to the Lord that day. Men and women of Juniper Springs Church, with Pastor Andy Woods, prepared and served a delicious chicken dinner to all who were present. Health kits were given to each migrant worker who attended.

General Board Report

I am pleased to have been elected to a four year term on the General Board of the State Baptist Convention, replacing Mary Upchurch. At my request I was placed on the Missions Committee and serve with a very capable group of men and women, who want to see missions in North Carolina move to the forefront.

I was elected to a one year term on the Executive Committee of the General Board and thus got to meet about ten times during the past year. However, it is to and from the Executive Committee that many of the problems and solutions or recommendations are handled.

Highlights of both groups are included in the following report:

Institutional Study Committee, Dr. Lamar Brooks, Chairman:

After some prayerful and diligent work by members of this committee, assisted by Dr. Roy Smith and other officers and staff, all agencies and institutions are now in compliance with requirements of the 162nd Baptist State Convention mandates.

Partnerships: The Poland Partnership has been ended and hopefully another state will pick it up and complete work at the seminary just outside Waraw. Although our three year commitment ended, Dr. Smith says money still comes to the State Baptist Building and he recently sent $70,000 such money to Poland.

The Brazilian Partnership has likewise been completed and we received a plaque and engraved resolution from the Brazilian Convention.

Ukrainian Project is a new partnership and 16 teams have been this year. Hopefully, Sandy Creek could send builders, church workers, and money during this three year partnership. Specific objectives are: 1) Place 100 home (Ukranian) missionaries; 2) Building a seminary building and helping train bivocational pastors. This would be along the lines of Fruitland; 3) Complete 13 churches, now under construction.

N.C. Hunger Fund collected a total of $44,711.83 in 1992 and most of the money was channeled back to 30 churches and 15 associations for use in local hunger fighting ministries. It is expected that about $40,000 will be available for 1993.

State Missions Offering was down considerably in 1992. It is believed that part of this was due to the tremendous response of the Baptist in September of 1992 to Hurricane Hugo victims. Over $700,000 was raised and sent to Florida. A large group of N.C. Baptists went to help with clean-up. The disaster van was also sent. This year the disaster van has been in the Mid-West during the flood and a second van was outfitted and sent to the Outer Banks during Hurricane Hugo. The latest reports indicate our State Mission Offering will reach it's goal of $1.8 million dollars.

State Baptist Convention Budget will be the same for 1994 as in '93. A new "simplified" church reporting form is being developed. At the State Convention a revised form showing the state budget will be distributed.

Financial Assistance to students attending Richmond Seminary and the new School of Divinity at Gardner-Webb College were approved.

Executive Committee and General Board Highlights:

1. Dan Griffin resigned as V.P. upon his moved to a pastorate in Texas. Rev. Jack Causey of Statesville was elected to fill the term.
2. A number of personnel and program changes are underway. Most all of which, in my opinion, are positive.
3. WMU was granted a 49 year lease on Mundo Vista.
4. Opening and closing of camp days at Mundo Vista (GA) and Caraway (RA) are to be coordinated at the same time, so as to cut down on transportation.

5. Several minor changes to the constitution will be recommended at the State Meeting in Winston-Salem. Most are rather cosmetic and will hardly be noticed.

Serving on the General Board, Executive Committee, and the Missions Committee has really been an education. I have a much more positive feel for our denomination. I believe we have good, honest, caring, and capable men and women serving in positions of leadership. In true Baptist form, we have not always agreed on issues, but a spirit of Christian unity has and does exist.

Hubert Garner,
General Board Representative

Home Mission Board, SBC

Christ for Our Nation

1992 ANNUAL REPORT

The Home Mission Board (HMB) is a missionary-sending agency of the Southern Baptist Convention (SBC). Headquartered in Atlanta, GA, the HMB's purpose is to serve Southern Baptists by assisting churches to proclaim the gospel of Jesus Christ, start and grow New Testament congregations, and minister to people in the name of Christ.

At the end of last year, 4,868 missions personnel were serving in the United States, the Caribbean, American Samoa, and Canada. The HMB also had endorsed more than 2,200 chaplains who were serving in healthcare agencies, institutions, businesses, the military, and pastoral-care roles. More than 2,400 Mission Service Corps volunteers were serving on home mission fields. During the year there were 367,847 baptisms and 1,281 church starts.

Approximately half the HMB's support comes from individual SBC churches through the annual Annie Armstrong Easter Offering for Home Missions. In 1992, gifts to the offering totaled $37.61 million, up almost 6 percent from the 1991 total. One hundred percent of the offering goes to support the work of home missionaries in the field. The 1993 Annie Armstrong Easter Offering goal is $38 million. About 36 percent of the HMB's income comes from the denomination's Cooperative Program.

Home missions is a partnership of the HMB, state conventions, associations, and churches. The HMB's strategy is to help start churches, ministry endeavors, and evangelism efforts that will grow to self-support or be carried on by local churches or associations.

The following is a summary of program/support ministry highlights from 1992:

CHAPLAINCY MINISTRIES: The 2,293 Southern Baptists now serving as chaplains and pastoral counselors reported 24,000 professions of faith and 4,600 baptisms.

ALTERNATIVES TO ABORTION: Workers in 23 crisis pregnancy centers received training from the HMB. As a result of the ministry of these centers, 2,164 babies were born and 832 women found faith in Christ.

CHURCH LOANS: More than 1,100 churches had active loans totaling $115 million. These loans purchased, refinanced, remodeled, or constructed 106 buildings and purchased nine building sites.

LANGUAGE MISSIONS: Home missionaries and pastors in the Language Church Extension Division serve among 102 ethnic groups using 98 languages and dialects.

PERSONAL EVANGELISM: During the Southern Baptist Convention in Indianapolis, 1,353 volunteers canvassed 45,235 residences, conducted a religious survey, and shared the gospel with 2,905 individuals, 361 of whom made professions of faith.

PRAYER AND SPIRITUAL AWAKENING: A national team began efforts to enhance effective prayer and revival ministries in churches. The Intercessory Prayerline grew from 7,500 calls in 1985 to 130,000 last year.

VOLUNTEERS: Over 71,000 Southern Baptist adults, college students and youth group members volunteered for long and short-term projects. More than 58,000 volunteers responded to disaster relief efforts in Florida, Louisiana and Hawaii.

SPECIAL MINISTRIES: Southern Baptists minister to seamen in 37 port cities and 200 missionaries are involved in ministries related to college students, resorts, special events, and diplomats.

Baptist Children's Homes of North Carolina

1993 ASSOCIATIONAL REPORT
P.O. Box 338 • Thomasville 27361-0338 • (919) 472-1000

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers. . . and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast. . . and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflit, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls; therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the N.C. Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised,"we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

N.C. Baptist Hospitals

REPORT TO THE ASSOCIATIONS 1993

Meeting the Challenges of Health Care

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation.

(2) We performed our first pancreas transplant and first double organ transplant (pancreas and kidney) this year.

(3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, GA.

(4) Quality infant through adolescence care in our Brenner Children's Hospital.

(5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S.

(6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship.

(1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses:

Duke 36% higher
Carolina's Medical Center (Charlotte) - 36.5% higher
UNC - Chapel Hill - 28% higher
Average statewide - 9% higher

(2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit

Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary

Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but it is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patients private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation

Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families: "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

The Biblical Recorder

Associational Report - 1993

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The *Biblical Recorder* was born and continues to serve for that purpose. Never was the *Recorder* more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the *Recorder* into more Baptist homes than ever before. Your support as a subsriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the *Recorder,* Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the *Biblical Recorder* which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the *Recorder* was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

North Carolina Baptist Foundation, Inc.

JUNE 1993

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638, an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1992:	$1,182,203.
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992:	$1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting the lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, N.C. Baptist Men, Women's Missionary Union, the Council on Christian Life and Public Affairs, and the N.C. Christian Coalition. Resource leaders included Dr. Norman Geisler, author, *Gambling a Bad Bet;* Dr. Patrick Anderson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Director, Mississippi Christian Action Commission; Bill Brooks, Executive Director, *Citizens Against the Lottery;* from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citizenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced the lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to regroup their supporters. Also it will give concerned Christians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate Committee and is currently in the State Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said: ''The only lesson we learn from history is that we don't learn from history.'' North Carolina had an experienced with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950's. The N.C. Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is ''riddled'' with corruption as much as the gambling industry. Last year we had legislators indicted in S.C. for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling ''scam,'' and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had

Governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized gambling, undoubtedly, you will find corruption in government.

This is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the House, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be ''death'' to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combatting our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,
Joe S. Lennon, President
Coy C. Privette, Executive Director

Proceedings

of the

3. Rev. Ira Sutton, host Pastor welcomed the messengers, pastors, and visitors.

5. Carl Hemphill, Chairman of Program Committee moved for adoption of the program as printed. So adopted.
6. Hubert Garner, General Board Report. Printed in Reports section of Annual.
7. Faye Johnson, member of the Stewardship Committee and incoming Chairman presented the 1994-94 Budget and moved for adoption. So adopted.
8. Burdine Womble, Historian gave a report on Shubal Stearns and the History of the Cool Springs Baptist Church. Printed in the Reports section of Annual.
9. Terri Bordeaux, Associational Music Director led a congregational hymn, "Serve the Lord with Gladness", accompanied by Debbie Oldham, pianist and Frances Phillips, organist.
10. Roy A. Smith, Director of Missions recognized new pastors in the association: Rev. David Martin, Sandy Branch; Rev. Bob Griffith, Fellowship; David Randall, Hickory Mountain; and Ron Aldridge, Pleasant Hill. He also recognized staff members: Tony Carson, Music Minister at Siler City, First; Ken Jackson, Youth Minister at East Sanford; James Williams, Music Minister at East Sanford; Jason Cardwell, Minister of Youth and Music at Loves Creek. Also recognized were interim pastors now serving: Rev. J.R. Bouldin at Loves Creek, Rev. Ernest Davis at Antioch, Rev. Fred Carlton at Fall Creek, Rev. Woodie Neal at Flat Springs, Rev. Joe Watterson at Juniper Springs, Rev. Robert Denton at Oakley.

Rev. Smith also recognized the Officers and Directors of the Association and presented each of them with a Certificate of Appreciation for their dedication and service during the past year. Certificates were also presented to the ASSISTeam.

Rev. Smith shared with the association that we can be a historic Association and also a history making Association by being in one accord, sharing, caring, praying daily and the Lord will add unto our churches and the Association daily. (Acts 2:42-47) Do we want to be a monument or a mission center?

Many history making events have taken place this year. The migrant ministry was expanded from one day to four weeks and twenty-three made a decision for Christ. Seven participated in the Chaplaincy Ministry at the State Fair on Sandy Creek Day. All three Hispanic Missions need buildings; what a wonderful problem. The Association helped construction of new classrooms at Rock Spring Church. Seminary extension is looking at the possibility of expanding to three locations. "Experiencing God" classes going on in two locations now. Possibility of starting the first ever Associational BSU under the direction of Sims Poindexter, Student Ministries. Reorganizing the RA organization with a new director, WMU and Brotherhood doing various mission projects; these are history making events. The Disaster Relief Trailer from Randolph Association is now parked outside and our men are already talking about us doing one and using it for disaster relief and also for construction projects. We measure our success by our sending capacity and what a place to be tonight and to see the yellow ribbon on the pew to designate the seat of Paul Sutherland who is now recovering from a fall from a ladder while doing mission work in Brazil. The challenge is to be involved in missions. Most of all, we must work together in whatever way God is leading us where he wants us to be involved. We must get out of the way and put God first, as he told us to daily deny ourselves and to pick-up our cross and follow Him. The biggest problem we probably have in any of our church structure is ego and a new definition for ego, if our ego is a problem, is we are "edging God out". My prayer for all of us, especially myself would be that we would not edge God out, but that we would follow Him where He is already working.

11. Dorothy Hart, Clerk, called attention to the Digest of Letters in the Book of Reports noting an increase in baptisms and giving to associational missions. Special appreciation was expressed to the clerks for their work on the Annual Church Profile, especially to the ones that processed their letter on computer. Clerks with perfect letters (neat, accurate, and on time) were:

b. Roy A. Smith, Director of Missions reported that his participation in a mission trip to Belarus from January 4 - 17, 1995 had been presented and voted for approval at the October Executive Board Meeting at Hickory Grove Church. Up to $1200.00 from the Contingency Fund budget item was also approved.

19. Terry Thompson, Chairman, Reported from the Missions Development Council Report, printed in the Report Section of this Annual.

20. Congregational song led by Terri Bordeaux, "Make Me a Channel of Blessing".

21. Annual Sermon delivered by Rev. Bob Wachs, Pastor, Bear Creek Baptist Church. "Taking the Lord's Name in Vain" was the title using a Scripture text from Exodus 20:1-17. This sermon is on the Third Commandment and was taken from a sermon series on The Ten Commandments. We usually only think of this third commandment in terms of profanity. However, from the Hebrew texts we know that a name represented the essence of a person. If we focus on "name" then slander is the topic. If we focus on "vain" then the subject is the denial of the essence of the person named. Vain refers to empty or idle. In this sense, the commandment is to not take Yahweh, Himself as being empty, idle, frivolous or irrelevant. How do we react to this commandment today? (1) Profanity is probably the easiest to recognize. (2) With-holding the name and the reality it is from others is also a sin. (3) As Christians we, and we alone, can know the fullness of that name. We are Christians first and Baptists second. We must first come to terms with who we are and only then come to terms with how we do our ministry. (4) We sin if we use the name as a club, through manipulation or fear. We must take people where they are and love them. (5) There is danger in using divine sanction for what we do. In W.W.II many thought God had ordained Hitler. (6) We sin when we offer a trite summons to the Christian faith. We should be careful about promising love without demands or cheap, easy grace. Jesus said that we are to count the cost. The true call is to servanthood. If you are a servant, it will cost you. As we prepare for the tremendous opportunities of this next year, with the Here's Hope Simultaneous Revivals, we must be on watch so as not to profane the Name of the Lord.

22. David Martin, Pastor of Sandy Branch Church, led our benediction in honor of Paul Sutherland, volunteer missionary from Cool Springs Church.

    b. Moderator recalled the announcement made during the session last night, that Roy A. Smith, Director of Missions has the opportunity to participate in a mission trip to Belarus, January 4 - 17, 1995. If the January Council and Executive Board Meeting was moved from January 9 to January 23, Rev. Smith could then share his experiences. Carl Hemphill made a motion that the January Council and Executive Board Meeting be moved from January 4 to January 23, 1995. Motion seconded. So Carried. Moderator announced the other dates and places for the Council and Executive Board

Meetings are:		
	April 10, 1995	Sandy Creek Resource Center, Sanford
	July 10, 1995	Moon's Chapel, Siler City
	October 9, 1995	Sandy Branch, Siler City

11. After a call for further business and hearing none, Moderator, Mary Upchurch relinquished the Chair to Vice Moderator, Carl Hemphill to preside through adjournment.

19. Special Music presented by Darrell Bordeaux: "I Will Serve the Lord" Beautiful!
20. Congregational chorus of "How Great Thou Art" led by Carl Hemphill, accompanied by Darrell Bordeaux, organist and Beth Snider, pianist.
21. Dr. Danny Akin, Dean of Students at Southeastern Baptist Theological Seminary, preached a sermon titled, "Here's Hope, In the Exalted Lord". His Scripture text was Philippians 2:1-11. Paul wrote this epistle while in prison, yet he was full of joy, excitement and anticipation about what God was going to do both in his ministry and in the life of the church at Philipi. We are called to have the mind of Christ. Proverbs 23:7 says that, "As a man thinketh in his heart, so is he." Perhaps the reason that we don't witness is that we don't know Jesus. If we see people (as Christ does) in their sin and lostness, we will be compelled to reach out. We draw three points from this text. First, we are to cultivate the compassion of our Savior. We are given the encouragement of divine blessing though consolation, comfort, the fellowship of the Spirit, and mercy. We have the expectation of divine behavior, unity of purpose, humility, and sensitivity. Second, we should consider the humiliation of our Savior. For though He was God (despite what the Jehovah's Witnesses say), He emptied Himself to purchase our forgiveness. Adam reached for something that he could never have and plunged the world into sin. But, Christ gave up something that He could never lose and purchased our salvation. Third, we are called to celebrate the exaltation of Christ. Will we join in announcing that Jesus is Lord? An invitation to accept Christ and an invitation to commit to 60 days of soulwinning were extended during the singing of the invitation hymn, number 364, "My Jesus I Love Thee". A number of people responded and came forward for prayer.
22. The benediction and blessing on the reception were pronounced by Roy A. Smith. The meeting was adjourned and refreshments were served in the fellowship hall.

Tapes of both sessions of this annual meeting are on file at the Associational Office.

EXECUTIVE BOARD

The Executive Board of the Sandy Creek Association is composed of all pastors of member churches, one elected member from each church, general officers, Director of Missions, Department Directors, and Chairperson of Standing Committees.
Meetings for the 1993-93 year were held quarterly.

October 1993	Mount Olive Church
January 1994	Juniper Springs Church
April 1994	Rocky River Church
July 1994	Tramway Church

A "Special Called Meeting" of the Executive Board was held February 25, 1994 at Pittsboro Church. The purpose of this meeting was the consideration of two items:

1. Changes recommended in the By-laws by Constitution and By-laws Committee

Responding to a motion made at the January 10 meeting concerning benefits itemized under Article XI, Section 4. (Policy Statement for DOM) on page **24** of our 1992 Annual; the Charter and By-laws Committee recommend the following changes: (Excerpt-Amy Fitts Memo)

f. "A maximum of two (2) weeks will be allowed for revivals. The honoraria will be kept by him. The Search Committee will be responsible for discussing any prior commitments a prospective Director of Missions would intend to fulfill.

New Item:

g. If an exception must be made to the policy statement above in reference to time away from the field, the moderator must approve all such exceptions and may confer with other persons as he/she deems necessary.

These changes will cut the potential time away from the field by five weeks. It will also plainly require the DOM to get approval from the Moderator for any exceptions.

2. Presentation of a prospective Director of Missions.

Del Parkerson, Chairman of the Search Committee, described the work process of the Search Committee. An excerpt from Dr. Parkerson's letter of introduction of Roy A. Smith to the Executive Board Members follows:

"The unity of spirit and purpose among us was evident and strong from the beginning. We are unanimous in believing that God has led us to Roy Smith. He and his lovely wife, Shirley, share our sense of God's will in their becoming a part of our association's witness and ministry.

Frankly, we looked for someone who could build strongly on the foundations already laid. God is blessing our association. Many excellent things are taking place notably in the areas of evangelistic outreach, Seminary Extension, Hispanic Ministries, and in leadership development. We believe God can and will use Roy Smith to lead us from where we are to where He would have us go.

Roy is a deeply committed Christian who both understands the work of pastors and knows how to lead lay people in carrying out the Great Commission..

DIRECTOR OF MISSIONS REPORT: 1994

I thank God that He has called us to serve with you in the historic Sandy Creek Baptist Association. These past six (6) months have been busy but exciting. Transitions always bring change and often discomfort. Even with moving and adjusting to new surroundings, you have helped Shirley, Andy and I to feel right at home here in this Association.

In the July Executive Board meeting, we began sharing words that represent facets of our value system. The acrostic is:

S ervant
A ggressive
N ew Lights
D iscipling
Y easty

C hrist Centered
R esourceful
E vangelistic
E nthusiastic
K ononia

We are called to be servants of our Lord, Jesus Christ, which is not the same as volunteers. Dr. Henry Blackaby states that we can not say No and Lord at the same time. If we can say no to Him, then He is not Lord. We are to be aggressive, to let our lights shine brightly for the unchurched world to see. We are to be discipled and are to make disciples. We are to be yeasty in being the salt, the light and the leaven out in the market place.

First and foremost we are to be Christ centered. Under the leadership of the Holy Spirit we are to be resourceful, evangelistic and enthusiastic. As we keep our eyes on Christ, we will continue to experience the kononia that already exists here in this Association. We are grateful to those of you who, over the years, have intentionally cultivated a spirit of love and cooperation that seems to be unparalleled in the Southern Baptist Convention.

Let us continue in a spirit of Christian cooperation to join together to participate in the Great Commission in a way that we can not do separately. The year behind has been wonderful as God has worked in this Association and we have seen souls saved as a result (i.e. the 23 professions of faith in the migrant ministry and the overall increase in baptism reported on the Annual Church Profile: see statistical report in another section of this book).

We also have many opportunities to participate in His work in the days ahead. The 1995 Simultaneous Revivals are a wonderful opportunity to make a significant difference. Let's pray that God will grant a mighty outpouring of His Spirit. I hope that all who read this report have or will commit to sixty (60) days of soul winning prior to the simultaneous revivals, which will take place April 2 though 9, 1995. God bless you!

Roy A. Smith,
Director of Missions

EVANGELISM

This coming year will be a very important year for Evangelism in the Sandy Creek Association, as well as across the Southern Baptist Convention.

One of the big events in Evangelism this year for our association is the Evangelism Conference on January 8, 1995 at 7:00 p.m. at Emmaus Baptist Church. Evangelist Hank Williams will be bringing the mesage. We encourage every church to make plans to move your services to the Evangelism Conference so everyone can be a part of receiving God's challenge concerning reaching the lost.

One other major event coming this church year is our participation in the"Here's Hope, Share Jesus Now" 60 days of Soul-winning January 9 thru March 9 and the Simultaneous Harvest Revivals planned for April 2-9, 1995. We pray that over 600,000 Southern Baptist will share the gospel each day for 60 days. The purpose of these Evangelistic Emphasis is to share the message of hope to every person in the United States.

The Evangelism Committee looks forward to working with you and your church this coming year. Your Evangelism Committee this year is: Steve Moore, Carl Hemphill, Darrell Williams, Perry Hardison, Mark Meadows, and Eric Davidson. Pray that God will lead all of Sandy Creek Association in our efforts to Share Jesus Now!

Director

DISCIPLESHIP TRAINING

On February 21 the association was invited to Oakley Church to celebrate "Discipleship Training." Excitement was evident as everyone joined in songs of praise and many shared testimonies as to how Discipleship Training tools had touched their lives.

On August 6 Children and Youth Bible Drill leaders, participants, and their families gathered at Oakley Church recreation field to enjoy a hot dog cookout. The association presented thirty-one trophies to the 1994 state winners. Congratulations to each and everyone that took part in Bible Drill. There are no losers when you are memorizing scripture and key passages from God's word.

YOUTH MINISTRY

In these days and times, youth ministry continues to be a challenge. However, God richly blessed the Youth Ministry of the Sandy Creek Association during the 1993-94 year. We experienced a deepening fellowship among the youth and youth leaders of our association , and we had the privilege of being a part of God's work in touching and changing lives. To God be the glory for the GREAT THINGS He has done!

For the second year, we sponsored "Winter Youth Celebration" at the Randolph/ Asheboro Y.M.C.A. during January 1994. Approximately 300 youth and adults took part in this all night lock-in, which doubled our attendance from the previous year. Ken Atkins again led in the recreation and worship services. An added feature of this event was the Association Celebration of "TRUE LOVE WAITS," the Southern Baptist Convention youth and young adult emphasis on sexual purity and abstinence until marriage. One hundred percent of the some 250 youth in attendance made this commitment before God and before each other. Many youth and adults attended the state "True Love Waits" Celebration held in Winston-Salem during February.

Our Youth Ministry co-sponsored with Sanford First Baptist "BREAKTHROUGH" during the first weekend of March 1994. This event featured various seminars on youth topics of interest. The concert artist was Dana Russell, and the preacher was David Cox from Bay Leaf Baptist Church in Raleigh. Several youth and adults took part in this event.

The second weekend in April brought approximately 85 youth and adults to Garden City Chapel, on the South Carolina coast, for "BEACH BREAK". Ken Atkins was our teacher and preacher. The theme for the retreat was "The Great Adventure" which stressed that the Christian life is a great adventure worth living.

Nine youth and three adults, from five churches, spent the last week of June 1994 in Danville, Virginia as a part of "WORLD CHANGERS". There was spiritual preparation, team-building, and a construction project that took place in the months prior to the mission trip. Everyone that participated was a minister and they were ministered to, also. Special thanks to Wanda Howard and Jimmy Solomon for their leadership in all three Association-sponsored "World Changers " trips!

We brought "WITNESS" to our area in July 1994. Some 400 attended the concert, held at Jonesboro Heights Church. Many were touched by the presence of God.

As I conclude the 1993-94, I have mixed emotions over the end of my three years as the Youth Ministry Director. I know that it is time for me to move-on, but I will truly miss working with the youth and the adult youth leaders. These are the folks who have made every event for the past three years worth the time and the effort put into the event. These are the folks who have attended meetings, who have worked tremendously well together, and have shared laughter and tears. I will miss those times we shared! Thank you youth, adult youth leaders, and the Sandy Creek Association for allowing me to be a part of your lives and our shared ministry. I will cherish the memories I have of serving you, and our Savior and Lord through the work of the association. May God continue to richly bless the ministry among youth and adult youth leaders in this association!

Rev. Eric N. Davidson, Youth Ministry Director

WOMANS MISSIONARY UNION

1993-94 has been a wonderful year for WMU. We have 62 new members and 8 new organizations. Our theme "Serve in Christ's Name" has taught us to pay attention to our servanthood. We have had many successful events. Our training was held at Hickory Mountain with 135 present. Our Foreign Mission Study and Home Mission Study presented topics that helped us learn more about missions. Baptist Womens World Day of Prayer was held at the Sandy Creek Association Resource Center and was a blessing to all who participated. Our GA's and Acteens had two events each and were well attended. We are excited to see some growth in these areas. The Baptist Women's Prayer Retreat at Caraway was a great success with approximately 90 women attending. Pat Frazier presented Lottie Moon and Annie Armstrong for us. Our BYW Banquet was hosted by East Sanford with Renea Henderson as our speaker. She blessed us in word and song. Mission Friends had a Fun Day in June at Sandy Branch Church. We sent over 850 deodorants to our Womens Prison Ministry and we have been promoting our Mundo Vista Campaign this year. We are hoping to raise $11,000.00 in our association.

WMU Focus was very special for me this year. I was able to speak at Oakley, Pittsboro, and Fall Creek Churches. Thank you for inviting me.

Our Annual Meeting was quite inspirational with Sandra Harrison sharing with us. Mt. Olive made us feel very welcome. There were 157 in attendance.

Our WMU Council has worked exceptionally hard planning and carrying out activities in each area. Our sincere thanks to each member and to you for your prayers. We want to wish our departing council members a fond farewell. They have served with great dedication and we extend our heartfelt appreciation.

As we prepare for 1994-95, our theme is "A Time to Grow." Let's all commit to growth in our individual spiritual lives, growth in new members, growth in WMU learning, but most of all, growth in the number of souls saved. **WHAT A BETTER WAY TO SERVE AND GROW THAN TO SHARE GOD'S PLAN OF SALVATION?**

It has been a real joy to serve as your WMU Director this year. As I prepare for my last year in this capacity, I covet your prayers. Please keep WMU on your prayer list as we prepare for many changes in October 1995, as we become Women on Mission.

STUDENT MINISTRY

Pastors and lay members have been encouraged all year to remember the college students in their congregations. Especially important are the times when the students leave for school and come home again. They need to know that their church families will be supporting them while they are away and as they return. Prayers from the pulpit are certainly recommended as well as a vocal welcome for them.

In October 1993, I prepared a skit and gave it to the representatives from each church. The skit was a dialogue between two college students in the snack shop of a campus. These two students were discussing the common problems they had experienced. One of them had found encouragement from her home church and one of them had not. Hopefully, the skits were used in the churches to illustrate the need for recognition of the special problems college age church members have.

A memo in July urged the churches to consider hosting socials as sendoffs for college students. I suggested that an ice cream social or dessert would let them know that they are special. A verbal good-bye or a prayer from the pulpit would have been appropriate.

I also encouraged the singles' leaders or the church secretaries to send notes periodically to the young people. Another way to remember them would be to mail the Sunday bulletins each Monday to the students. Perhaps copies of newsletters would keep them in touch.

I suggested that each church begin to plan a Student Day or Night at Christmas. The Baptist State Convention will provide whatever material is needed for this event.

All these students need to know that they are very important to us. After all, the time is soon approaching when they will be the church leaders themselves.

Sims Poindexter,
Student Ministry Director

MEDIA REPORT 1994

Focus 95 for 1993-94 has been "Media Libraries...Focus on Service". As a service program in a church, the Media Library relates to all other church programs and activities as it provides materials and equipment to enrich all aspects of church life.

TACMO (The Associational Church Media Library Organization) has 26 Church Media Library Directors, with six churches actively participating in quarterly meetings. The Associational Director, Associate and one Church Media Director attended the State Media Library Conference at Caraway in April. Eight directors and assistants, representing six churches attended a very successful Key Leadership Conference at Jonesboro Heights Baptist Church in Sanford in October.

Theme for the Media Fair Booth held at the Annual Meeting at Emmaus in October was "Celebrate 50 years, Church Media Library." Church Media Library started in the Southern Baptist Convention in 1943 and has been in existence for 50 years as of 1993. Interested observers had numerous questions and comments.

TACMO quarterly meetings are always training sessions for media ministry. In addition to Key Leadership, the sessions held at Hunt Springs, Cool Springs and Gum Springs for 1993-94 have been organizing and maintaining a vertical file, ordering books and weeding, classifying and planning.

Several Church Histories have been donated to the Sandy Creek Baptist Association Resource Center. Our Resource Center provides printed material, bound and unbound, tracts, and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to aid personal growth.

In April, Church Media Libraries promoted, "You Can Make a Difference" by writing letters to CBS in approval and support of "Christy", a wholesome TV program based on Catherine Marshall's book by the same title.

Mary Ann Eskridge, Media Director

SEMINARY EXTENSION

In the spring of 1994 two seminary extension classes were taught, one in the Sanford area and the other in the Pittsboro area. One was The Great Passages of the Bible taught by Rev. Perry Hardison. The other was Overview of the Old Testament - Part I taught by Dr. Walter Yoho. This past June and July we launched our first summer course, Overview of the Old Testament - Part II, taught by Dr. Watler Yoho. Seminary Extension and the Sandy Creek Baptist Association were pleased and grateful for the very encouraging response to these Bible Courses.

Overview of the New Testament - Part I (Matthew through Ephesians) is meeting 7 to 9 PM each Thursday evening from September 29, 1994 through December 1, 1994. We have about 25 excellent and enthusiastic students representing about ten churches. (Guest are always cordially invited to sit in and fellowship with us at any time).

We hope to have three courses in the spring: one in the Sanford area, one in the Pittsboro area, and one in the Siler City area.

Dr. Walter Yoho, Director

MISSIONS COUNCIL REPORT

The Missions Development Council has met every other month to plan and coordinate a variety of ministries. Each person on the Council has taken a specific area of ministry to lead out in while coordinating with the Council to develop the overall strategy.

The migrant ministry was expanded from a one day ministry in 1993 to a four week ministry in 1994. Juniper Springs served a fine feast of a meal on the first Sunday to kick off the 1994 migrant ministry. They also provided the use of their fellowship hall for the other three Sundays. The gospel was proclaimed in Spanish by Rev. Alfredo Granillio and the members of the Hispanic Mission of Sanford. Hygiene kits were distributed along with evangelistic tracts and Hispanic New Testaments. Each Sunday a different Church would bring in refreshments. We also offered recreation and conversational English classes. The Holy Spirit drew 23 men to accept Christ and the Hispanic Congregation followed up with these men as best as possible. We are praying about the possibility of expanding to eight Sundays next year; which means we will need more churches to volunteer.

The language missions are growing. The Hispanic Mission in Loves Creek has expressed a desire to call a pastor to lead them to grow. The Hispanic Mission in Pittsboro is planning to begin construction on their building using volunteer labor in March 1995. The Hispanic Mission in Sanford has held a groundbreaking ceremony, site preparation has begun, and materials are now on the property. Construction should begin soon although additional funds are needed before the building can be completed.

We have entered a partnership with the Metro New York Baptist Association. Future mission trips to New York and/or New Jersey are available for anyone feeling led to go. In addition some individual volunteers have responded to the need for disaster clean up after floods devastated parts of Georgia this year.

We have entered into a foreign missions partnership with Belarus. Plans are underway to bring between 12 and 15 Belarussian children to the Sandy Creek area. These children will be housed with Baptist families here. This will get them out of the areas contaminated by the nuclear catastrophe of Chernobyl Plant. We are also investigating the possibility of participating in the Ukraine partnership.

Several volunteers from various churches have participated in various short-term foreign mission projects. Unfortunately Paul Sutherland was injured after falling from a ladder while on a mission trip in Argentina. God has used this tragedy to show His mighty power as the fruits of Paul's labor and witness continue even after his injury. A fund to help cover medical and therapy cost has been set up with the Baptist Men of North Carolina. Contributions to this fund are labeled "Paul Sutherland Medial Fund".

Plans were made to start a "Friday at the Fair Day" by recruiting Sandy Creek volunteers to serve as Chaplains at the North Carolina State Fair on Friday, October 21, 1994. This will mark the first day that any association other than the Raleigh Association has taken this responsibility.

Rev. and Mrs. Ed Rogers are helping us to develop a strategy for a new crises pregnancy ministry. They are also beginning to find those people whose hearts God has already touched about involvement in this ministry. A crisis is a unique event or series of circumstances that threatens our sense of well being, and interferes with the routine of daily life.

Imagine what an unwanted pregnancy does to the life of a young girl. Imagine how much worse the situation becomes when she has an abortion. a **Crisis Pregnancy Center** provides answers to questions concerning alternatives to abortion. Another facet of the ministry is to provide clothing, furniture, food, and pampers to the mother until she is back on her feet. Adoption referrals are done as well. This ministry is a co-laboring with Jesus to demonstrate compassion, genuine witness of faith, unconditional acceptance, and Christ-like love in a spirit of humility. If your church would like more information about this ministry, Please contact Helen Rogers at 542-4055. If you have an interest in this ministry at any level, **please contact Roy A. Smith at 776-9423. Please consider with prayer!**

Chaplaincy ministry is very capably lead by Roy McLamb. His primary focus is on the growing opportunities at the prison in Sanford. He has issued an open invitation for churches to volunteer to come in and provide worship on any Friday night. Call Roy McLamb at 776-3052 to sign up for a specific evening to minister. There is also a possibility of a men or boys sports team to go in and offer to play ball with some of the inmates.

VACATION BIBLE SCHOOL REPORT

Vacation Bible School found a "Trail of Treasures" during the 1993-94 Associational year. In March the Associational VBS Team went to First Baptist, Asheboro to prepare for our Sandy Creek VBS Conference. The conference was held on April 25, 1994 at First Baptist , Sanford. There were fifty five (55) in attendance representing twelve (12) churches in our association.

I would like to thank our Associational VBS Team and the churches for all their support and efforts. VBS is the biggest outreach in many of our churches; and I know the treasure of God's Word will continue to penetrate lives as we make ourselves available to serve in Vacation Bible School.

Phyllis Watson, VBS Director

SUNDAY SCHOOL

The Sunday School Theme for the last several years has been: 1990-91 Breakthrough Reach to Win, 1991-92 Teach the Bible to Win, 1992-93 Equip to Win, 1993-94 Serve to Win and this year 1994-95 is Witness to Win. Never has there ever been a greater need for a Breakthrough in the lives of persons who do not know the Lord as Savior. The real goal for Sunday School has been and is to help Sunday School leaders and teachers to be exposed to new ways and changes that take place in the lives of people.

The ASSISTeam (Associational Sunday School Improvement Support Team) strives to be a team of EXCELLENCE in Sunday School LEADERSHIP. It is our purpose and goal to equip Sunday School leaders to fulfill their responsibilities with excellence. The specific purposes are: To call churches to be on mission by Reaching, Teaching, Witnessing, Ministering, Leading, Supporting and Establishing Sunday School. To Provide, Train, Develop, and Equip Leaders to provide opportunities for working together in Missions, Ministry, Growth, and Evangelism. Christians who make a genuine commitment to Teach through the Sunday School lead by the leadership of the Holy Spirit can bring many people to a deeper faith, love and obedience to our Heavenly Father.

The Sandy Creek Association, under the leadership of the Sunday School ASSISTeam held an Appreciation and Recognition Service, hosted by East Sanford Church. Approximately 125 people were present and 12 different churches were recognized for outstanding work and improvements done through the Sunday School. Guest speaker was Larry McElreath from the Evangelism Department of the Baptist State Convention.

In trying to meet the needs of our churches in the Sandy Creek Association, the ASSISTeam held a Curriculum Workshop at Jonesboro Height Church. We also had a Leadership Training Session at Cool Springs Church on "Today's People" for all age groups.

In the sessions to come that will be led by the ASSISTeam we will try to help new friendships with workers from other churches, numerical growth through organized outreach, improved Bible teachings, strengthen Sunday School, and give current information regarding curriculum and other resources. "Reach, Teach, Equip, Serve and Witness to Win, to meet other's needs as you would have others teach to meet your needs."

CHRISTIAN LIFE AND PUBLIC AFFAIRS

The Christian Life and Public Affairs Committee has continued to be the voice in the Sandy Creek Association regarding a proposed state wide lottery in North Carolina. Although during the legislative session of 1994 the lottery did not find enough support to be passed, the proponents are not about to give up on this billion dollar venture. They have turned their attention to para-mutual gambling and are vigorously trying to introduce this into our state. Para-mutual gambling would take place on river boats and charter boats off the coast of our state and our Native American Reservations.

We must continue to resist this evil in our North Carolina. During this past year our committee hosted a regional workshop on gambling at Tramway Baptist Church. This was organized in conjunction with the Christian Action League of North Carolina. Coy Privette, Executive Director of the North Carolina Christian Action League, various politicians, state officials, and a recovering addicted gambler were the featured speakers.

Another major concern we have is the existence of illegal pornography in our area. We have sought to support existing laws enforced and to establish zoning ordinances to prohibit future establishments from selling pornography. We recently attended a meeting at the Sanford City Hall where several hundred people met to publicly take a stand against pornography in this area. Future meetings are planned and we intend to participate.

We continue to believe that it is important to the people of our association that we take a stand for Christian values and standards in our society. We would appreciate your prayers and participation as we strive to lead others and speak out on these issues.

Director

REPORT FROM THE GENERAL BOARD OF THE BAPTIST STATE CONVENTION OF NORTH CAROLINA

Under the capable leadership of Convention President Alfred Ayscue, plus the wisdom and experience of our Executive Director, Dr. Roy J. Smith, North Carolina Baptist have had a good year. With reorganization of the General Board in January, I came off the Executive Committee and was placed on the Board of Directors at Fruitland Baptist Bible Institute for a four (4) year term. Jack Causey of Statesville was elected President of the General Board and Cathy Hartsell of Charlotte was chosen as Vice-president. Randy Kilby, formerly administrator at Gardner Webb University, as elected President of Fruitland Baptist Bible Institute, replacing Dr. Mack Roberts, who resigned.

At the May meeting of the General Board a statement entitled, "The North Carolina Baptist Way" was strongly endorsed and sent to Southern Baptist Convention Officers in Nashville. The text of that statement and the entire meeting was well covered in the June 4 issue of The Biblical Recorder - if you haven't read it, you really do need to!

"Super Summer Day" at Carowinds Theme Park in Charlotte was a real success. More than 30,000 young people and leaders ere in attendance. Rev. Larry McElreath reported more than 1400 persons responded to the alter call over the two day event.

"Listening Teams" from the Baptist Building in Cary have been visiting associations throughout the state. As a part of restructuring of the staff, these teams are attempting to find out what the churches, pastors and people want from the Baptist State Convention. Dr. Roy Smith reported that already the staff is finding ways in which they can better assist the churches.

Contributions are up in almost all areas of giving. Our people are to be commended for their discipline in tithing.

Up coming at Winston-Salem on November 11 and 12 will be our annual Baptist State Convention. All of the churches in our Association should send their allotted number of messengers.

The present slate of officers are eligible for re-election and to this date there does not appear to be other candidates. In addition to election of officers, will be the approval of a $29,400,000 budget. This is up only slightly from the two previous years. Three "simplified" plans of church giving will also be acted upon. However, a church can still request their money going to the State Convention be divided any specific way the church wishes.

North Carolina is still very much involved in mission work, both in money and volunteers. Volunteer teams are still going to the Ukraine, New York, and soon to the Czech Republic. Our involvement with children from Belarussia is also to be commended.

Finally, I would ask all of the churches to consider a contribution to the Paul Sutherland fund, now being collected by the Sandy Creek Association and the North Carolina Baptist Men. Paul, a volunteer from Cool Springs Church fell from a ladder while on a mission trip to Argentina. He is now in rehabilitation and will need assistance for some time.
Hubert Garner, General Board Member

FAMILY MINISTRIES

God continues to bless our Association's work in Family Ministries. Interest and participation has increased and Christian home life has been strengthened. The visible results are as follows:

Last fall Kathy McElreath led the 13-week course Christian Self-Esteem: Parenting by Grace at Tyson's Creek. Nineteen people from five churches were enrolled in this class.

Couples from ten churches participated in Fall Festivals of Marriage at Ridgecrest. This represents 25% of Sandy Creek churches. Ray and Debbie Hockaday have served as part of the faculty for these national events.

Sunday, January 16, 1994 (Sanctity of Human Life Sunday) the Family Enrichment Council sponsored a baby shower for Pregnancy Support Services of Durham. Forty-four women and teenage girls from ten churches attended and gave gifts to support those with crisis pregnancy situations.

In February, thirty-three people from seven churches attended our Single Adult Gala at Sandy Branch. This event included a varied program and a lot of interacting time.

On May 1 Senior Adult Day was celebrated. Approximately 35 "chronologically gifted" senior adults in our association performed the musical Don't Hang Up at Jonesboro Heights Church. William Ellis from Pittsboro directed the choir and repeat performances were given at Brush Creek for Associational Family Day and Juniper Springs. Several churches were represented by this talented group.

Associational Family Day was June 4, 1994 with 111 people from 11 churches. Brush Creek Recreation Park was the site for this event that included a hot dog supper, games, and fun. The Senior Adult Choir performed Don't Hang Up and a group of "nones" (nuns) from Jonesboro Heights Church presented their own rendition of Sister Act.

Six people from our association attended the Single Adult Evangelism Conference at Caswell in June. Carol Tucker of Tyson's Creek and Wanda Howard of Jonesboro Heights served as facilitators for conference classes on single parenting and volunteer missions.

Camp Caraway was the setting for the Senior Adult Retreat September 26, 1994. The 129 people attending came from 17 churches to participate in the program Those Were...These Are...the Days led by Ray and Debbie Hockaday.

Johnny Waldeck is the new Senior Adult Director for 1994-95 and he is already visiting churches and creating interest in the senior adult choir. This choir already had three (3) performances scheduled for next spring.

Gretchen Grindle will be leading Single Adult ministry this new church year. Opportunities abound for this diverse group of people with a tremendous variety of needs. Gretchen would appreciate your prayers and participation in this aspect of our program.

Wanda Ledford will continue to direct work in Family Enrichment. She requests that each church in the association elect a member of their congregation to serve on the Family Enrichment Council so that your needs/interests could be met.

After serving for the past five (5) years as your Associational Family Ministries Director, I have resigned from the position but not from the work. Ray and I feel God leading us deeper into the ministry of strengthening families. Thank you for your support and help in laying the foundation for family ministry in our association. We are indebted to you for the success we have experienced and give God the glory for it all.

As I write this we still do not have a Family Ministries Director for the new church year. Please pray for Gretchen, Wanda, and Johnny as they coordinate the work for our association. We have some exciting plans for 1994-95

STEWARDSHIP REPORT

The Associatonal Stewardship Council has several objectives. They are:

1) To help churches in the area of Christian education.
2) Provide resources for churches in budget preparation.
3) Assist churches, upon request, in preparing budgets.
4) Encourage churches to support missions in the association.
5) Encourage Cooperative Program giving.
6) Prepare and present the annual budget for the association.

An association is only as strong as the participation and support of the churches. If pastors and lay-people do not have a vision of associational ministries, our Lord will not be pleased with our work. However, if we love each other, work together, pray concerning the lord's ministry, there is no limit to what God can accomplish through us.

Your association has set goals to encourage financial support by the churches. every church is to strive toward a minimum of three percent of undesignated gifts to the association - with a five percent goal as the average. I believe God will bless churches who believe and practice Christian missions. Exciting ministries are taking place in our association and they are worthy of your support.

On behalf of the Stewardship Council, and the Executive Board of the association, I thank you for your financial support in the past. I pray that I can count on you in the future. Don't forget - increase your giving to a minimum of three percent for 1994-95.

May God continue to bless you and use you in His service. If I, the Stewardship Council, or the Association can assist you, we are just a phone call away.

C. Gene Booker
Stewardship Chairman

We, the cooperating missionary Baptist churches of the counties of Alamance, Chatham, Lee and Randolph, do hereby propose to establish and maintain the principles and rules of order of our association in conformity to the following plan:

ARTICLE I - NAME

The name of the body shall be the **Sandy Creek Baptist Association**.

ARTICLE II - PURPOSE

The purpose of this association shall be to inspire and enable the member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the ministries and programs of this association, the Baptist State Convention and the Southern Baptist Convention, thereby fulfilling the commission of Jesus Christ as commanded in Matthew 28:19-20.

ARTICLE III - OBJECTIVES

1. To provide programs, projects, and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, missions, education and other ministries that will promote the Kingdom of Christ.
4. To involve itself in programs to fill the spiritual, philanthropic, and social needs of both the membership and their communities.

ARTICLE IV - AUTHORITY

The Association is a body of autonomous churches who voluntarily cooperate under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it except for such authority relating to any church's association relationship. However, the association may, upon invitation from a church, counsel with that church. Each member church shall be represented on at least one of the standing committees and on at least one of the mission performance committees.

ARTICLE V - GOVERNANCE

The government of this association shall be congregational in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the membership of the corporation, which authority shall be exercised in the manner set forth in the bylaws. Except as specifically provided in these bylaws, only members, in annual or special meetings, and acting as set forth in these bylaws, shall have the authority to adopt and amend the charter and bylaws, elect officers, approve budgets, receive members and generally govern and conduct the affairs of this corporation. Between membership meetings control of the association is vested in those persons and bodies as set forth in the bylaws.

ARTICLE VI - MEMBERSHIP

Section 1. **Members.** Members of the Sandy Creek Baptist Association shall consist of those churches which have become affiliated in the manner set forth in these Bylaws.
Section 2. **Application for Membership.** The application of any church for membership shall be referred to the Credentials Committee which shall examine the covenant and articles of faith of the church applying for membership, and, upon a favorable report of the Credentials Committee, the church in question may be admitted as a member in this body by majority vote of the messengers present and voting at the annual meeting, providing that the church so received shall agree to come under the watch care of the association for a period of one year and that the church shall have all the privileges of the association except that of voting for that first year.
Section 3. **Transfer from another Baptist Association.** Any duly constituted Baptist church, in good standing with another Baptist association and desiring membership with this body must make application to the Associational Executive Board at least four (4) months prior to the annual meeting. Upon the recommendation of the Associational Executive Board, and a letter of recommendation from the association it is leaving, it may be received into full membership by majority vote of this body.
Section 4. **Dissolution of Members.** The association may at any time dissolve connection with any church that ceases to abide by the charter and bylaws of Sandy Creek Baptist Association and the spirit of the same. Action for dissolution shall be initiated upon the recommendation of the Associational Executive Council. Dissolution shall be by two-thirds majority vote of the members acting at a meeting for which one of the purposes is dissolution and two weeks notice of such purpose has been given.
Section 5. **Withdrawal.** Any church may withdraw from the association at its pleasure.

Bill related how many have "Experienced God"

while working with the many volunteers that have structured the building for the Hispanic Mission in Pittsboro.

14. Terry Thompson, Missions Development Council Director, made two motions:
    a. That the Association follow the direction of the Executive Board and vote to participate in the summer ministry of hosting between 15 and 30 Belarussian Children through the American Belarussian Relief Organization. The cost is $700.00 per child. Adopted.
    b. That the Association follow the lead of the Executive Board in formally voting to participate in a 5-year Partnership with Southern African Mission. This will be part of a partnership that is proposed between North Carolina Baptist and the Baptist Mission Southern Africa that will begin in 1996 and conclude in the year 2000. The cost per person will be approximately $2,000. Adopted.

15. Ronnie Byrd, accompanied by Catherine Matthews, organist and Mabel Bullock, pianist, led the congregation in singing "Revive Us Again."

16. Rev. Daniel Hunt, Sr., Pastor of Elk Horn Baptist Church, Campbellsville, Kentucky shared how God has blessed his church and the surrounding community with "Raindrops of Revival," not because there is anything extraordinary about the people of Elk Horn Baptist Church, but because we have an extraordinary God. He read II Chronicles 16:9 which he felt God wanted to use in the Sandy Creek Association. Rev. Hunt shared how he was called back to Campbellsville where he had graduated from college to pastor Elk Horn Church, but after 1 1/2 years he was ready to leave and the people were ready for him to leave. About this time he began leading the first "Experiencing God" Class in his church and also received five calls to go to other positions of ministry. He shared these with his "Experiencing God" Class and they prayed about it. After prayer they felt that God wanted him to stay and he agreed to stay. Shortly afterwards, during the Sunday night service, God gave Rev. Hunt a love for his people that was incredible and revealed to him that if they were to experience revival that it was to start in the heart of the leader.

Sin must be repented also by pastors. They began many "Experiencing God" classes through the church and also at the nearby college. God began working in their lives teaching them that He was at work around them and it did not matter if they saw Him or recognized Him or not, but God was working and pursuing a continuing personal relationship with each of them. God also pointed out to them that they were to pray for one another, but before they could pray for the sick to be healed physically, they had to be healed spiritually. An evening service became a "healing service" during which many confessed their sins openly and others joined them in praying for forgiveness. God says "Return to me and I will return to you." The church as a body then confessed sins that were committed against individuals by the church and representatives went and asked for forgiveness for the church. No amount of human effort can bring revival, but God will not bring revival until we have done everything we are supposed to do. On March 26 God began a work of revival in our church that reached so many people that we had to move it to the school auditorium. Later it was moved to a larger church.

God can bring revival if you allow Him to work in your life, but revival will not come unless you are willing. God wants to work in your life. First you have to pray and then you have to practice obedience, but revival is a sovereign act of a holy GOD. God wants to bring revival to your land.

During the invitation individuals could come to the microphone and confess their sin. As individuals confessed, others were led to gather around them and pray for them. The front of the church and the isles were soon full. Praise God!

17. Tim Howell, Pastor of Oakley Baptist Church led our benediction.

38. First Baptist Church of Siler City Choir, led and accompanied by Tony Carson sang a very lovely arrangement of "What A Friend We Have In Jesus."

39. Rev. Gene Booker, former Pastor of Rocky River Church used as his text I Peter 2 to preach the Annual Sermon. He shared that in all of his 37+ years in the pastoral ministry he has never seen as much confusion and disunion among the fellowship of God's people as in recent years. He attributed the reason being because we have ceased to disciple those whom we have won in the church. Immaturity on the part of church members is the greatest problem that we face as Christians within the fellowship of the church. We need to train the people of God how to do His work. We have a responsibility to win people to Christ, but we also have a responsibility to disciple them in the faith. We need to learn more about Him and we need to be more teachable. Three things are important that implement this marvelous communication through the Holy Spirit. (1) We must have a desire for God's work. (2) We must have regular and consistent discipline in the word of God. (3) We must practice what we have been taught. The Spirit of God supernaturally speaks to His people through His word for He says "I have unveiled it, revealed it, and inspired it and as you acquire knowledge, I will illumine your spirit so that you can understand." Read God's word, study God's word, and share God's word. Go in the power of His presence.

40. Rev. Ed Westbury pronounced the benediction.

41. Moderator, Carl Hemphill led the congregation in singing the chorus of "How Great Thou Art" Meeting was adjourned. Refreshment were served in the fellowship hall.

History of Jonesboro Heights Baptist Church

On September 29, 1869, under the direction of the Reverend Oran Churchhill and the Reverend Stephen Gilmore a Baptist church was organized with 20 members. At the first church conference a resolution adopted by the church was: "Resolve that this body shall be known as St. Johns Baptist Church. It is to be a range of the great body of Missionary Baptist of North Carolina and the United States of America."

Messengers were sent to the Sandy Creek Baptist Association Meeting the next month, October 1869. They petitioned at that time for membership into the association. Reverend Oran Churchhill was the first pastor. In December, 1869 a one-acre lot was purchased in

Jonesboro and service was held under a brush arbor until the frame building was completed in 1870. A parsonage was erected next door in 1884. In the early 90's the name of the Baptist church was changed to Ephesus. Later in the year it was renamed Jonesboro Baptist Church. In 1946 when the towns of Jonesboro and Sanford merged as the city of Sanford, the name of the church was changed to Jonesboro Heights Baptist Church. Through the years this church has had several building programs and purchased more and more land. The third house of worship of brick construction was built in 1951 under the pastorate of Rev. Robert Gardner. Under the pastorate of Rev. John D. Smith, a new parsonage was built. Jonesboro Heights had been part-time with Cool Springs Church and in 1956, they voted to go full-time. In 1959, they organized the Elder Brian Mission at Tramway and this mission became the Tramway Baptist Church in October 7, 1961. Rev. John D. Smith resigned as pastor in July, 1963 to go to the mission field of the Baptist Foreign Mission in Indonesia. In April, 1964 Rev. G.W. McDowell became pastor and remained until his retirement in 1992.

In 1967 another building was started and completed in 1968. In 1969, the 100th Anniversary of the church was celebrated. In 1975 the new sanctuary was completed. In May, 1993 the Reverend G. Dana Slack came to lead Jonesboro Heights as pastor and he is the 31st pastor. In 1984 the first full-time Minister of Music and Education and part-time Minister of Youth was added. In 1994 the church family concluded a year long celebration of its 125th Anniversary. A special video, "Quasquicentennial, 1869-1994, An Accumulative Church History" was produced. That same year more property adjacent to the church ground was purchased. In February 1995, the first full-time Minister of Children and Youth joined the staff. Through the years Jonesboro Heights has remained true to its membership in the Sandy Creek Baptist Association. They have hosted the association many times since the first in 1912 and they have given much leadership. This is the 237th Session of the Sandy Creek Association. You, the Jonesboro Heights Church have given the first woman in the history to be moderator, our efficient Mary Upchurch. A church which started with 20 charter members now in 1995 has approximately 600 members.

History of Siler City First Baptist Church

On May 17, 1889, a presbytery consisting of Elders W.J. Gwaltney, J.B. Richardson, J.L. Smith, and J.D. Hackney met in the Thompson School Academy for the purpose of considering the propriety of organizing a company of Baptist believers into a regular Missionary Baptist Church. Ten people requested membership by letter, and the ministry of the First Baptist Church of Siler City was begun. Charter members were D.L. Webster, W.L. Hudson, A.C. Jordan, D.R. Sears and wife, A.W. Wilson, J.J. Crutchfield, W.A. Teague, D.P. Beal, and J. Dan Hackney. Rev. J.B. Richardson was called as the first pastor and J. Dan Hackney was elected clerk. The church joined the Sandy Creek Association during the October 3-6 , 1889 Meeting at Sandy Creek Baptist Church. The right hand of fellowship was extended to the new members. The congregation met in Thompson Academy until the first church was completed. This church was located on North Chatham Avenue across from Thompson Academy. When the present church relocated, Boling Company purchased that land. From its beginning Sunday School was emphasized. This necessitated adding more class rooms. There was a need for a house for the pastor and in August 1911, they purchased a house and land on North Second Avenue, space for sanctuary, and future building. Prior to 1927, the First Baptist Church was in a field with several nearby churches.

On January 1, 1928 First Baptist Church voted to go full-time. August 1, 1927, Rev. J.C. Canipe became pastor. The congregation realized the need for a more adequate church building. On October 4, 1927, the first offering was received at the close of revival services conducted by the new pastor, Rev. Canipe. The large offering amounted to $1,300. On November 2, 1927, the church in conference, voted to enter a building program. Committees were appointed. On Monday, April 24, 1928 excavation was begun. The cornerstone was laid December 15, 1928. A new Mohler Organ was built and installed by the company. This was a gift of the Womans Missionary Union and the Ladies Aid Society of the church. The building was completed two years later. The first service being held July 13, 1930. It was said that Rev. Canipe led the people that Sunday morning one block from the old church to this new church. He was as proud as Moses leading the children of Israel out of Egypt. The building of this type was quite an accomplishment considering the times and financial conditions. In a special service, March, 26, 1944, the church building was dedicated, debt free.

In 1951, a new parsonage was built on the site of the old parsonage, adjacent to the new church now. Rev. and Mrs. W. L. Lynch moved into the parsonage in 1954.

The third major building program was adopted in 1963—that of a new educational building plus expansion and remodeling of the church building. This was completed in

1965. In recent years the covered driveway has been added, and the old parsonage has been renovated into modern offices. Rev. C.R. Smith became pastor in June 1962 and served for 28 years. Rev. Brian Reynolds became pastor in May 1992. Recently new carpet has been installed in the sanctuary, the pews refinished, and new pulpit furniture purchased.

First Baptist Church has given much leadership to the Sandy Creek Baptist Association in the way of moderator and WMU Leaders. The membership is now 668. The First Baptist Church of Siler City published its 100 Year History in 1989.

REPORTS

Associational Sunday School Improvement Support Team (ASSISTeam)

The ASSISTeam sponsored a Literature Review Exposition of all Sunday School and church organizations training materials at the Associational Resource Center from 9 AM to 9 PM, Thursday, August 24, 1995. We saw 31 teachers and other church leaders from 13 churches participate.

On September 12, 1995 the ASSISTeam shared in the sponsorship of the Sandy Creek Baptist Association's first Training "Extravaganza". The Training Extravaganza was hosted by First Baptist Church of Siler City. Over 250 participants from 28 churches experienced this training event. Eighteen topics covering all aspects of the Sunday School and church were presented. Several inside walls were painted and the baseboard heaters were removed and replaced with electrical outlets. A kitchen cabinet and sink were installed along with a lamp at the end of the walk way. Latter in the summer, the Baptist Men of Sanford First painted the outside block on the Resource Center. The Baptist Men of Cool Springs Church installed a handicap access ramp. Don Hart, Chairman

Credentials Committee

Cornerstone Baptist Church (Don Daniel, Pastor) has petitioned the Association for membership. The Credentials Committee met once with the Pastor and three deacons. They have adopted the *Baptist Faith and Message* as their doctrinal stance. No action was taken. The Church leaders are to develop a charter and bylaws or constitution and bylaws and contact the committee in order for these to be reviewed.

Gilbert McDowell, Chairman

Christian Life & Public Affairs

The North Carolina Legislature once again denied gambling proponents a prize, a State Operated Lottery. For the first time in years the Senate rejected a state lottery referendum by a vote of 28-20. In the House, HB 838 (Lottery for School Buildings) was brought out of the Finance Committee by a parliamentary move and placed on the House calendar for July 18. Calls and prayers were answered and on July 18, 1995 when the bill was sent to the House Judiciary II Committee, it never found its way to the floor for vote. North Carolina remains the largest state in the Bible-belt without a state operated lottery. However, we must not let our guard down for most likely the lottery proponents will try again in 1996.

Another area of concern is the pornography issue in our state. Surprisingly enough, according to a recent Barna Report (*Virtual America*) 51 percent of the American adult population oppose prohibiting the distribution of pornographic movies and publications. This is obviously a clear indicator that we have our work cut out for us on this issue. Educating our churches and keeping up to date on what our legislature does regarding pornography will be one of our goals in 1996. We covet your prayers and support and thank you for your interest and participation.

Larry Bostian, Christian Life and Public Affairs Director

Evangelism

It has certainly been a great year in Evangelism in the Sandy Creek Baptist Association as well as Southern Baptist Convention. Almost two-thirds of the churches in our Association participated in the "Here's Hope" Revivals and the 60 days of soul winning. At the time of the printing of this report we do not have any numbers as far as baptisms for the Association or the convention. But I know the harvest will be great!

Once again in January we look forward to our Associational Evangelism Rally to be held on January 14, 1996 at 7:00 PM at Jonesboro Heights Baptist Church. Evangelist Larry McFadden of Orlando, Florida, will be bringing the message from God's Word. We hope your church family will move your evening services to Jonesboro Heights and join us as your hearts are challenged for Evangelism.

Your Evangelism Committee this year is: Steve Moore, Carl Hemphill, Darrell Williams, and Perry Hardison. Pray that God will use Sandy Creek Baptist Association to reach souls for Jesus!

Steve Moore, Evangelism Director

Executive Board

The Executive Board of the Sandy Creek Baptist Association is composed of all pastors of member churches, one (1) elected member from each member church, General Officers of the Association, Department Directors and Chairpersons of standing committees.

George Stallings

Thank you for your dedication and preparedness to be "called" by the Lord into these 'special' areas of service.

Activities and actions during the past year are recorded in the reports by Directors of the various programs. Our work, especially in missions, has expanded: specifically in local ministries, language ministries, home missions, and foreign missions. Our Director of Missions is Chairman of the Board of Directors for the American side of the American Belarussian Relief Organization. Through his leadership and efforts many of us participated in some manner in foreign missions through the Belarussian Ministry. Thank each of you for your personal contribution and your church's participation in hosting Belarussian children. Continue to pray with us that their visit will prove successful both medically and spiritually and that the 'Impressions' found in America will be of lasting benefit.

Avron and I know the 'Impressions' made by our little guests will remain with us and we feel blessed. Thank you for allowing us the privilege of sharing the love of Jesus, our love, and our home with 'Alexei Dranitza' and 'Alexei Korol' of Mogilev, Belarus, CIS.

Serving as Moderator of the Sandy Creek Baptist Association during the past two (2) years has been challenging and very rewarding. Thank you for allowing me to serve and to grow spiritually.

Media

Focus ‘95 for 1994095 has been “Media Libraries. . .Focus on Witnessing.” Media such as evangelistic tracts, audio/videocassettes, and other materials are instrumental in leading persons to Christ. Also, media contributes to training persons in witnessing skills.

TACMO (The Associational Church Media Library Organization) has 27 Church Media Library Directors, with an average of five (5) churches actively participating with an average attendance of eight (8) at quarterly meetings. The organization has 7 officers available to help churches as needed. Mrs. Rhonda Perry served as the Associational Librarian for 1994-95.

The Associational Director, the Associate Director and two (2) Church Media Directors attended the State Media Library Conference at Caraway Conference Center, June 23-25, 1995. Eight directors and assistants, representing five (5) churches attended a very successful Key Leadership Conference at Jonesboro Heights Baptist Church, October 20, 1994. Nine attended the Associational Training Extravaganza representing seven (7) churches on September 12, 1995 at Siler City First.

TACMO quarterly meetings are always training sessions for Media Ministry. In addition to Key Leadership and Training Extravaganza, the sessions held at Flat Springs for 1994-95, have been Vertical file and Video collections, classifying tips and resources. The SCBA Media Director attended Key Leadership at Ridgecrest Conference Center on May 8-9, 1995.

The theme for the Media Fair Booth held at the Annual Meeting at Cool Springs on October 24, 1995 was “Serve in Christ’s name”. Items that can be borrowed from the Associational Resource Center were displayed with special emphasis on helps for witnessing, training and serving.

In April, 1995 Media Library Emphasis Month was promoted by our churches. We also promoted “You can make a difference” in conjunction with *Home Life* magazine by writing CBS and affiliate TV station managers telling them how much we appreciated the opportunity to view a program such as “Christy” as a family, without fear of inappropriate content and thanking them for continuing the series with 11 mid-season replacements.

Our Resource Center provides printed material, bound and unbound, tracts and periodicals and other literature as well as audiovisuals, projected and non-projected, from pictures to maps and globes. Resources are organized according to area of ministry to assist special workers or to aid personal growth. Let your Associational Resource Center become an extended arm of your ministry.

Missions Development Council

Mission work was going on all though the year. We participated in both ongoing and short-term projects, both new and old projects, and both foreign and home missions.

Roy McLamb continues to lead us in prison ministry. The size of the Sanford Correctional Facility doubled this year and Roy continues to encourage us to volunteer to minister to the inmates and their families. Roy is also not traveling to other states with opportunities provided though Prison Fellowship. He is planning a fall revival to take place in November of this year. The Brotherhood linked up with Prison Fellowship to participate in Project Angel Tree, helping inmate families at Christmas, and Camp Angel Tree, providing scholarships and transportation to Camp Caraway. Also, in chaplaincy, two of our pastors are serving as chaplains with volunteer fire departments. These two are Steve Moore and Perry Hardison.

We have begun providing the volunteer chaplains at the North Carolina State Fair in Raleigh during one of the ten days of the fair. This is a ministry led by the Raleigh Baptist Association. Plans are to continue this ministry that is open to both clergy and laity and both to men and to women. In addition, plans are being formulated to offer a ministry to the fair workers in the Lee County Agricultural Fair.

The migrant ministry was expanded to eight (8) Sundays this year. This is the second year in a row that we have seen 23 men accept Christ (for a total of 46). Praise God for the blessings He provides. Juniper Springs Baptist Church prepared and served a full meal at the "migrant fiesta" again this year. The cost was $540.68.

All three Hispanic Missions continue to grow. The Loves Creek Mission has formed an inter-church steering committee and have raised funds to budget for the salary of a Mission pastor. They called Rev. Israel Tapia as their first Mission Pastor. The Pittsboro Mission has begun construction on a 5,456 square foot building using volunteer labor. They ordained Javiar Benetez, who is serving as their Mission Pastor. The Hispanic Mission of Sanford has begun construction on a 6,250 square foot building on five (5) acres of land on Cemetery Road.

Sanford First led us in participating in the North Carolina - New York Partnership. They sent a youth mission team to New Jersey to minister along side Monmoth Baptist Church and their Mission Congregations.

Our foreign missions partnership has been in conjunction with ABRO (American Belarussian Relief Organization). This consisted of sending our Director of Missions on a mission trip to Belarus in January. We voted to send $750 to support Pastor Deema Brogrov of Bethany Baptist Church in Mogilev, Belarus for two years. He has just received the first years money and this should allow him to quit his factory job in order to pastor full-time. We also hosted 15 children and 2 adults for six (6) weeks in the summer of 1995. In addition we have voted to host between 15 and 30 children in the summer of 1996.

A Steering Committee has been formed to organize a Crisis Pregnancy Ministry. They have chose the name "Reach Out Crises Pregnancy Ministry" and the Executive Board voted to allow them to add one interior wall in the Associational Service Center and use part of the building as a Center for counseling and a clothing closet. Several of the members of the steering committee have received training in this ministry from the Center in Durham.

A feasibility study has been begun to investigate the need and possibility of establishing a counseling center in this area. The Baptist Hospital, School of Pastoral Care has provided us with some initial information and may be able to send a council from Fayetteville one day per week. A recommendation may be made after more information is gathered.

Pastoral Ministries Training Report

I was asked by the Nominating Committee several months ago to serve as Director of Pastoral Ministries. I accepted this assignment feeling a great challenge and opportunity to begin a new phase of my ministry after four years in retirement from the pastorate.

Now after several months of study, visiting churches, interims, pulpit supply and observing the needs; I feel overwhelmed and excited with the possibilities of seeing a new day for deacons and pastors, joining in a partnership of higher spiritual ministries. Pastors and deacons are the key to avoid the apathy, stagnation and conflict that is prevalent in many churches. Revival and spiritual growth occurs only as we understand the nature and the function of the church.

I'm discovering that our Association, State Convention and Southern Baptist Convention have a wealth of resources in books, seminars and conferences to aid churches in their ministries. One of my jobs is to be a resource person. As a retired pastor I am in a position to give some time (quality, I hope) in reaching out to deacons and pastors where they feel the need for outside assistance.

On May 8th and 9th our Associational Leadership Team attended the annual leadership conference at Ridgecrest, NC. I was enrolled in the conference titled, "Deacons Leading Churches in Changing Times" led by Dr. Reggie McNeal, Director of Pastoral Ministries in the South Carolina Baptist State Convention. I have been attending conferences at Ridgecrest since 1946 and this was one of the best. I was able to see more clearly that pastors and deacons are **partners** in ministry.

The term pastoral ministries gives a picture of the shepherd caring, feeding and leading the sheep. I believe with all my heart that this should be the main thrust in our message to the deacons and pastors.

Rev. Roy A. Smith, our Director of Missions, led in the preparation of the Training Extravaganza September 12th at the First Baptist Church Siler City. A number of people have commented that this was one of the best ever witnessed. I led the conference titled, "Deacons and Pastors: Leading Churches in Changing Times". Two sessions were held with a total of 73 in attendance. No one expected this great turn out. The biggest problem was time. By the time we got started it was time to stop. I have resources on hand that were prepared for that conference. These are available to pastors and deacons on request. There was only time to introduce the material and hit the high points.

On September 1, I was invited by Rev. Israel Tapia, Pastor of the Loves Creek Hispanic Mission, to speak to his congregation on the work of deacons. Our main emphasis was "Pastors and Deacons as partners". There were about 50 present.

As other leaders in our Associational Leadership Team, I will be available to come to your church in order to help in Pastoral/Deacon Ministries Training. If there is other help we can give, please let me know.

Stewardship Committee

What is STEWARDSHIP? We are seeing an expanded meaning of Stewardship in the Sandy Creek Association. One revelation of this broader meaning came at the 1994-95 Associational Stewardship Banquet. Dr. Talmage Williams addressed those present on the aspects of the relationship of stewardship to worship. He reminded us that worship and giving are as much a part of each other as the concept that commitment of ourselves to God is a part of being a Christian. To borrow just one thought from Dr. Williams' book, *The Worshipgiver*, he states, "Giving grows out of who we are; Christian giving is an expression of our redeemed nature." I personally came away realizing that I worship God as I practice stewardship.

Fresh winds are stirring around us. Not only are established ministries prospering, but new ministries are being born. The Hispanic ministries are prospering as the Sanford and Pittsboro groups proceed with their own church facilities and the Loves Creek group calls a pastor. A Crisis Pregnancy Ministry is being born. We are involved with ministry in the Ukraine and Belarus. Upgrades to our van and associational resource center are indeed just a means to an end as we are involved in reaching lost souls for Christ.

As a matter of practicality, our associational goal continues to be that each church give an average of at least 3% of undesignated giving and strive for a growth to 5%. This will enable us as an association to enlarge our vision and carry the Good News of Jesus Christ even further, for His glory.

Faye Johnson, Stewardship Chairman

Student Ministries

In January, 1995, a Baptist Student Union group was formed by Sims Poindexter, Roy A. Smith, and Joe Clontz in the Sandy Creek Baptist Association. The group, called the Fellowship of Christian Young Adults or FCYA, is the only BSU chapter in North Carolina sponsored by an association and is open to any young adult between the ages of 18 and 25.

Since its inception in January, forty (40) young people have enrolled in FCYA. The group enjoys a time of singing and praise and a program of timely interest to college students, followed by recreation and a light meal. The group meets at various churches across the Association or at the Sandy Creek Associational Resource Center.

The group meets on the third Saturday each month, and a newsletter is sent each month informing the members of upcoming activities. The meeting time is also listed in The Link.

Adults serving on the FCYA Council with Sims Poindexter are Carol Tucker, Roy A. Smith and Sonny Yow. Student members are Karen Fesmire, Julie Phillips, Brian Burkes, Bailey Tyndall, Jimmy Solomon, Leo McKenzie, and Andy Smith

Sims Poindexter, Student Ministries Director

Womans Missionary Union

1994/95 was a Time to Grow for the Sandy Creek WMU. It is my sincere wish that we have grown spiritually, in number, individually and collectively.

Sandy Creek WMU has much to be proud of. We were a distinguished WMU for the year and participated in many events. Our Baptist Women had a marvelous prayer retreat and celebrated BW World day of prayer. The Acteens and GA's had several events with good attendance. Our Mission Friends had a fun day. Our annual training was held on July 28-29 at Caraway Conference Center and we had 100% of our council present. The annual meeting at East Sanford was very uplifting. We are halfway to our Camp Mundo Vista campaign goal of $11,000.00. Spearheading the ABRO project for Belarussian children was one of our most exciting endeavors. There were several churches involved and the children were a real blessing to each family they "lived" with. We hope this will become an annual project.

Our WMU council has served you well this year. We wish the departing council members great success and thank them for their efforts on behalf of WMU. I want to personally thank all of the churches who have invited me to visit them this year. Your support was greatly appreciated.

Carol Fesmire will be your new WMU Director in the coming year. Please pray for and support her as you have done for me. The past three (3) years have been especially rewarding in my life. I cannot tell you how blessed I have been to serve this Association. Thank you for this wonderful opportunity.

May God bless each of us as we move into the 95-96 year. As we "Risk the Journey", let us place our faith in Him as changes abound and anxieties assault us.

God is still on the throne. Wherever He sends us, He will go with us. Be sure that you take His hand and let Him lead.

Jan Lowe, WMU Director

Youth Ministry

The YOUTH MINISTRY of the Sandy Creek Association was under the direction of James Williams until March when he resigned. I was then asked to take over the activities of the ministry. Planning mid-year has been difficult but God has blessed.

World Changers was very strong this year. Twenty-three teens ministered in Cherokee County, North Carolina from July 27 - August 5, 1995. This was an excellent experience. The youth were chaperoned by Wanda Howard, Dot Hart, Cathy Thomas and Lee Phillips.

WITNESS, the singing group of college students sponsored by the Evangelism Department of the Baptist State Convention of North Carolina, sang at Chatham Central High School in July. Attendance was down because of weather conditions. Several decisions were made publicly.

An Associational Youth Volleyball Tournament was held in July at Lee Senior High School. This was organized by Carl Johnson, Summer Intern with First Baptist Church of Sanford, Frank Thompson, Jr. and Sonny Yow, six (6) churches participated. Flat Springs won the overall championship. Congratulations!!

Youth Ministry Network was organized in April. Composed of the Ministers with Youth, both volunteer and paid, this organization is designed to be a support group and the planning team for the Youth Ministry of the Association. W did not meet in the summer but have resumed and are putting details to the calendar we planned in May for the 1995-96 year. Those events are: January 19, 1996, Associational Youth Lock-in for 7-12 graders. This will take place at Lee Senior High and the Lee Civic Center from 10:00 PM till 7:00 AM. Gardner-Webb has been contacted to send a F.O.C.U.S. team to lead Bible studies and worship. A concert artist is in the works. Cost per youth and other details will be mailed by November 1.

WORLD CHANGERS - two (2) groups are in the works for this year. More details will be available later.

A Winter Revival Weekend, February 23-25 will be held at First Baptist, Sanford with Scot Pankey, Southwestern Seminary student and CENTRIFUGE staffer, Worship Leader and Carl Johnson, Jr., Senior at Campbell University, Proclaimer. This event is for parents of youth and teens 7-12 grades. A focus on relationships and parenting, as well as other issues as they are a part of youth's lives will be offered.

A youth Missions Night is planned to be a part of the World Missions Conference in April.

Associational Basketball Tournament will be held at Lee Senior High on March 31.

A WITNESS concert is planned for next summer.

I applaud and appreciate all Youth Ministry folks who have helped with events and been a part of the Youth Ministry Network. Let's all work together to minister to the teens of the Sandy Creek Association in Jesus' name to the glory of God.

Sandi Munson, Youth Ministry Director

Director of Missions

The Challenge put before us in the annual meeting last year was to be both a historical Association and a history making Association. I am grateful that you have taken this challenge and indeed are making history.

This past year our churches gave more money to finance the mission work in the Association than has ever been given before. Our receipts from churches were over $105,000 this year as compared with slightly over $101,000 the previous year. In addition to this, over $13,000 was given to bring the fifteen (15) Belarussian children and two (2) adults over for six (6) weeks this past summer. Another thirteen churches have given additional financial support to one or more of the three (3) Hispanic missions. In other words, you have given more liberally to associational missions than ever before.

Even more important is the personal growth. Personal spiritual growth is occurring all through the Association, especially with increased participation in Seminary Extension and various Disciple Life Courses, such as *Experiencing God* and *The Mind of Christ*. For many of us, these studies have enriched our devotional life and we are more attuned to watching to see where God is working in the world around us. It is great to see how this spiritual growth is sparking excitement and activity in various churches. The Here's Hope Revivals were fittingly "kicked off" during our annual meeting last year as well as the Evangelism Rally.

This spiritual growth has given birth to a renewed vitality in mission work across the Association. Sims Poindexter is chairing a steering committee that has led to the creation of the first associational off-campus BSU in North Carolina. Ed Rogers is chairing a steering committee that is creating a crisis pregnancy ministry. All three Hispanic Missions are growing as Loves Creek has called their first mission pastor, Pittsboro ordained their mission pastor and have started a building, while Sanford First started their building and expect to be in it by the end of this year. The Hispanic Mission of Sanford First has expanded the summer migrant ministry and we saw God draw another 23 men into His kingdom as they accepted Christ. The Director of Missions participated in a mission trip to Belarus in January, which led to the Association supporting Pastor Deema Brogrov of the Bethany Baptist Church in Mogilev, Belarus, CIS. The summer ministry of hosting the Belarussian children was a real blessing to them and to us.

The new projects were exciting, but we have continued to carry on many ongoing ministries as well. Roy McLamb has been diligent in his ministry to inmates in the Sanford Correctional Facility. We should provide him even more help in the future. He has also traveled into several other states ministering to inmates through Prison Fellowship. The Brotherhood continues to provide us opportunities to do homeland missions, crossovers at National SBC Conventions, lay renewals and lay revivals, project angel tree, Camp Angel Tree and special projects, like the Denton Porch. The WMU continues with projects like the Christmas gifts to inmates in the Women's' Prison and the many things that they did for the Belarrusians. Our youth have again participated in a World Changers mission project; this time in Cherokee County, North Carolina.

I am confident that God will continue to give us mission and ministry opportunities in the future if we are attentive to what He is bringing about. We have voted to bring between 15 and 30 children over from Belarus next year. It is appropriate that on the tenth anniversary of the Chernobyl meltdown that we take on a "God sized" ministry with them. Sanford First is sending two (2) members on the ABRO mission trip at the end of December. We have also voted to participate in the partnership evangelism project between North Carolina Baptists and the Mission of Southern Africa. The DOM and one or two others are planning to travel with a planning team to South Africa in February. We have begun a feasibility study to determine the need and cost of beginning a counseling ministry here in the area. Del Parkerson is chairing the Steering Committee that is planning our World Missions Conference for April 21-24, 1996. Also, two (2) of our churches have begun planning towards the possibility of sponsoring new churches; one in Snow Camp and the other West of Sanford on or near Highway 42.

We are growing and going, but we are also offering some of the best meetings and training opportunities that we can find and/or create. Our first Training Extravaganza was held at First Baptist Church of Siler City and the attendance was overwhelming. In addition the ASSISTeam brought Mike Perry in from the Baptist Sunday School Board to show us the abundant choices in literature. The Baptist State Convention shares the excellent resources they have as well. As a result we hosted men like Talmadge Williams in a superb stewardship banquet that was a genuine worship experience, while Tom Jenkins, State Missions Director, addressed the bivocational ministers, spouses and guests.

Not all is positive, however. Several of our churches are experiencing internal conflict. We are in a hinge period where the world is changing very rapidly and many are experiencing information overload and stress at work and at home. This heightens the importance of our mission to a world that is dying without Christ. It also heightens the importance of clear, direct communication and clarity of role. The utmost importance is to see that our personal relationship with our Heavenly Father is real and growing daily. The world is waiting to see what God can do with an individual, a church, and an association, totally yielded to Him.

BY-LAWS

Sandy Creek Baptist Association

PREAMBLE

We, the cooperating missionary Baptist churches of the counties of Alamance, Chatham, Lee and Randolph, do hereby propose to establish and maintain the principles and rules of order of our association in conformity to the following plan:

ARTICLE I - NAME

The name of the body shall be the Sandy Creek Baptist Association.

ARTICLE II - PURPOSE

The purpose of this association shall be to inspire and enable the member churches, individually and together, as they endeavor to enlarge, strengthen, and enrich the fellowship of God's kingdom at home and around the world through evangelism and missions; and to foster cooperation in the ministries and programs of this association, the Baptist State Convention and the Southern Baptist Convention, thereby fulfilling the commission of Jesus Christ as commanded in Matthew 28:19-20.

ARTICLE III - OBJECTIVES

1. To provide programs, projects, and organizations which will strengthen the fellowship and assist the churches in achieving their goals and objectives.
2. To discover needs which cannot be met effectively by any one church and to coordinate the use of associational resources in meeting these needs.
3. To involve churches in cooperative experiences in evangelism, missions, education and other ministries that will promote the Kingdom of Christ.
4. To involve itself in programs to fill the spiritual, philanthropic, and social needs of both the membership and their communities.

ARTICLE IV - AUTHORITY

The Association is a body of autonomous churches who voluntarily cooperate under the Lordship of Christ. It determines its own membership and programs but has no authority over the churches affiliated with it except for such authority relating to any church's association relationship. However, the association may, upon invitation from a church, counsel with that church. Each member church shall be represented on at least one of the standing committees and on at least one of the mission performance committees.

ARTICLE V - GOVERNANCE

The government of this association shall be congregational in nature, and the final authority for the operation and management of the affairs of this corporation, spiritual and temporal, shall be vested in the membership of the corporation, which authority shall be exercised in the manner set forth in the bylaws. Except as specifically provided in these bylaws, only members, in annual or special meetings, and acting as set forth in these bylaws, shall have the authority to adopt and amend the charter and bylaws, elect officers, approve budgets, receive members and generally govern and conduct the affairs of this corporation. Between membership meetings control of the association is vested in those persons and bodies as set forth in the bylaws.

ARTICLE VI - MEMBERSHIP

Section 1. **Members**. Members of the Sandy Creek Baptist Association shall consist of those churches which have become affiliated in the manner set forth in these Bylaws.

Section 2. **Application for Membership**. The application of any church for membership shall be referred to the Credentials Committee which shall examine the covenant and articles of faith of the church applying for membership, and, upon a favorable report of the Credentials Committee, the church in question may be admitted as a member in this body by majority vote of the messengers present and voting at the annual meeting, providing that the church so received shall agree to come under the watch care of the association for a period of one year and that the church shall have all the privileges of the association except that of voting for that first year.

Section 3. **Transfer from another Baptist Association.** Any duly constituted Baptist church, in good standing with another Baptist association and desiring membership with this body must make application to the Associational Executive Board at least four (4) months prior to the annual meeting. Upon the recommendation of the Associational Executive Board, and a letter of recommendation from the association it is leaving, it may be received into full membership by majority vote of this body.

Section 4. **Dissolution of Members.** The association may at any time dissolve connection with any church that ceases to abide by the charter and bylaws of Sandy Creek Baptist Association and the spirit of the same. Action for dissolution shall be initiated upon the recommendation of the Associational Executive Council. Dissolution shall be by two-thirds majority vote of the messengers acting at a meeting for which one of the purposes is dissolution and two weeks notice of such purpose has been given.

Section 5. **Withdrawal.** Any church may withdraw from the association at its pleasure.

Article VII - Meetings
